

The Patriots' Truth

Flint Hills Party News

We will be postponing our monthly meeting on the 2nd Saturday of the month for the winter!!
*Weekly meetings will be held at McAlister's, 5:30-10pm, Wed. evenings. They are come and go, at your convenience. Bring your concerns for discussion. **Your concerns are important – they are why we exist.** In this publication what is in green is me, other colors are just for getting attention. Changes in font are for letting readers know it is a change of subject or person speaking. I would like to include your opinion/concerns. We must continue working, paying attention, & most of all PRAYING!! With the help of the **LORD** we will prevail!! The USA is too important to the world for us, yes us, to let it be destroyed – Take a deep breath, PRAY, Forge ahead, we will succeed!!! I truly believe GOD is with us. With GOD's help we won't fail. Be informed, work for the good of the USA*

I sat, as did millions of other Americans, and watched as the government underwent a peaceful transition of power a few short years ago. □□At first, I felt a swell of pride and patriotism while □Barack Obama took his Oath of Office.□□ However, all that pride quickly vanished as I later watched 21 Marines, in full dress uniform with rifles, fire a 21-gun salute to the President. □□It was then that I realized how far America's military had deteriorated.□ Every one of them missed the bastard.

*I had to laugh when I read this – however, shooting someone – no matter who – is not a laughing situation. I don't wish Obama to be shot – I just wish him OUT OF OFFICE!! And incidentally our American Military has NOT deteriorated in their ability – the training and ability of our Military is as good or better than ever. **The only problem with our Military is the Commander-in-Chief.***

I DON'T CARE WHO I OFFEND. I WANT MY COUNTRY BACK.

I don't believe in mixing Politics with Religion, but when our Politically correct Government will do anything to support one Religion but not the other, it's time to wake up.

When our Government allows one religion to take over public places to pray to their God while the same Government takes God out of all public schools it's time to not only speak up, but also, to step up.

I know there are some of you that are Democrat and love Obama, but this is for Christians first, politics later.

I do pray that it doesn't offend anybody with the truth of the message, but it has to be sent.

If you love your Lord first and your politics later, then you will appreciate this message.

If you don't, I'm sorry I judged you wrong.

When we get 100,000,000, that's one hundred million willing Christians to BOND together, voice their concerns and vote, we can take back America with God's help.

Become one of the One hundred million... Then let's get 200 million.

It can be done just by sending this email to your friends.

Do the math.

It only takes a single willing heart and a fed up SOUL.

God Bless America and Shine your light on Her!

In 1952 President Truman Established one day a year as a "National Day of Pray

In 1988 President Reagan Designated the first Thursday in May of each year as The National Day of Prayer.

In June 2007 (then) Presidential Candidate Barack Obama Declared that the USA "Was no longer a Christian nation.

In 2009 President Obama Canceled the 21st annual National Day of Prayer ceremony at the White House under the ruse of "not wanting to offend anyone."

HOWEVER... On September 25, 2009 From 4 AM until 7 PM, A National Day of Prayer FOR THE MUSLIM RELIGION Was Held on Capitol Hill, inside the White House.

There were over 50,000 Muslims In D.C. that day. PRESIDENT OBAMA PRAYS WITH THE MUSLIMS!

I guess it doesn't matter if "Christians" were offended by this event - We obviously don't count as "anyone" anymore.

Now President Obama is encouraging schools to teach the Quran for extra credit, while at the same time, they cannot even talk about the Bible, God, pray, or salute the American Flag.

The direction this country is headed should strike fear in the heart of every Christian especially knowing that the Muslim religion believes that if Christians cannot be converted, they should be annihilated.

READ this, THINK about what it says. What it says -- not only what it says about Obama and what he has done to our beloved Country, but what it says about us, the citizens of the good Ole USA, and **THINK what WE have allowed him TO DO to OUR Country. Yes, what we allowed!!!** After 6 years of his insults/lies/belittling/destruction **we, the citizens**, finally woke up enough for the Republican Party to be in control of Congress, only to find the Leaders of Congress needed to be changed also. Finally, the House Leader was forced into retiring – accomplishing something. Not nearly enough, but some progress was made. A bill cancelling Obama Care was passed and sent to the President's desk. Obama had told them he would Veto the bill, wouldn't you know – this promise he kept. Here is the process for a Vetoed Bill.

*As the Constitution states in Article One, Section 7: Every Bill which shall have passed the House of Representatives and the Senate, shall, before it becomes a Law, be presented to the President of the United States; If he approves he shall sign it, but if not he shall return it, **with** his Objections to the House in which it shall have originated, who shall enter the Objections at large on their Journal, and proceed to reconsider it. If after such Reconsideration two thirds of that House shall agree to pass the Bill, it shall be sent, together with the objections, to the other House, by which it shall likewise be reconsidered, and if approved by two thirds of that House, it shall become a Law. But in all such Cases the Votes of both Houses shall be determined by yeas and Nays, and the Nays of Persons voting for and against the Bill shall be entered on the Journal of each House respectively. If any Bill shall not be returned by the President within ten Days (Sundays excepted) after it shall have been presented to him, the Same shall be a Law, in like Manner as if he had signed it, unless the Congress by their Adjournment prevent its Return, in which Case it shall not be a Law.*

When we met with Rep. Huelskamp he assured us the House will do whatever is necessary to get the "Veto Obamacare" bill passed again and send it back to Obama, thus overriding the President's veto. The Senate MUST do their part and pass this bill AGAIN. Why this could not have happened, at least, a year ago is beyond me, however we must **PRAY FOR SUCCESS!!! Encourage your Senators to do what is right for our Country!! Health insurance needs to be free enterprise to be purchased wherever is best for those to be insured!! Contact your Congressional Representatives and Senators. You should be able to purchase insurance anywhere just as you can purchase a vehicle or anything else – wherever YOU choose!!! Let us Pray!!**

DR. MILTON WOLF'S FACE BOOK 1/18'16

Here's what's wrong with Washington. In 2014 [Senator Pat Roberts](#) swore he was a "Top 5 Conservative." Once re-elected, he voted for amnesty and Planned Parenthood. Look at Pat's [Heritage Action for America](#) scores before, during and after his re-election.

This is the worst kind of political lying and Republican politicians do it all the time. It's an attempt to fool Republican voters; to fool you.

During an election year, the politician finally (but only temporarily) starts voting right. Meanwhile their buddies who aren't up for re-election provide all the votes Washington needs. They all claim they're conservative yet they ALWAYS find enough votes to pass the Washington agenda. Then after the election, they trade places and do it again.

In 2014, Pat Roberts suddenly became a conservative -- swore he was a "Top 5 conservative" -- while [Jerry Moran](#) was in the background quietly voting for all the Washington tax hikes and debt ceiling hikes.

They all passed. Once Pat was safely re-elected, they simply trade places. Now Jerry is up for re-election so it's his turn to vote right and Pat goes back to who he really is. This is The Pat & Jerry Show. They think you're easy to fool.

Victims of their deception are not just the voters who trusted them, but all the [Kansas Republican Party](#) officials who vouched for them. Pat & Jerry are willing to make them look like fools having endorsed someone who supports Planned Parenthood, amnesty and all the Washington spending and debt. The GOP is being destroyed from the inside by people like Pat and Jerry and the legislators in Topeka and other state capitals are left to pick up the pieces. It's sad.

But I think Kansans are wising up to the Pat & Jerry Show. They're tired of being made fools of by supporting deceptive Washington insiders. In 2013, before I ever announced my challenge, Pat had rounded up almost every Kansas GOP elected official to endorse him (of course now they don't want to talk about it!).

But look around. Where are all the Jerry Moran endorsements?

It's not just the Heritage scorecard, by the way. Do a little research yourself. Look at the unmistakable pattern of Pat's and Jerry's scores over the last few years at [Club for Growth/ CFG Action](#) (can't wait to see the 2015 scores!), [Conservative Review](#) and [FreedomWorks](#).

The numbers don't lie. Politicians do.

For any of you that didn't/haven't experienced this ---- believe it – it does happen exactly as Dr. Wolf explains. We don't have the opportunity to rid ourselves of Pat Roberts this election, but we do have the opportunity to be rid of Jerry Moran and we must make the most of what we can do. Jerry Moran did the dirty work for Pat Roberts to continue in an office where he did NOT live up to his promises and didn't even live up to the law. We must NOT allow Jerry Moran to do the same. It would be great if Dr. Wolf took his place. No matter who replaces Moran it can't be any worse than it is now. Let us PRAY!! Keep your eyes & ears wide open for truth!!

This is from the "Daily Digest", The Patriot Post. I am doing this on Martin Luther King, Jr. Day, Jan. 18, 2016. Please read carefully and understand how Dr. King's efforts have been turned into a bad thing. He was working to unite all Americans, regardless of the color of their skin. The article tells the story. God Bless all American's!!!

Democrats Have Made the Dream a Nightmare

"I have a dream that one day this nation will rise up and live out the true meaning of its creed: 'We hold these truths to be self-evident, that all men are created equal.' ... I have a dream that my four children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character. ... And if America is to be a great nation this must become true." —Martin Luther King Jr.

Of course, today's [Democratic Party](#) has turned the wisdom of this iconic sovereign inside out, as if King had said, "I have a dream that my children will one day be judged by the color of their skin, not the content of their character." They've turned it from a [dream into a nightmare](#).

King's 1963 address from the Lincoln Memorial was his most famous, but you have likely never read King's 1966 assessment of racial violence in Obama's hometown of Chicago back: "This is the most tragic picture of man's inhumanity to man. I've been to Mississippi and Alabama and I can tell you that the hatred and hostility in Chicago are really deeper than in Alabama and Mississippi." King added, "Those who are associated with 'Black Power' and black supremacy are wrong."

So you thought racism was just a "deep south problem"? That is what the Democrats and their Leftmedia sycophants would have you believe.

"Black supremacy" is precisely what was drilled into Barack Obama's psyche by his [Marxist mentor Frank Marshall Davis](#) and his [religious mentor Jeremiah Wright](#).

Two years ago, Obama dismissed his low approval ratings as being due to racism: "There's no doubt that there's some folks who just really dislike me because they don't like the idea of a black president." Yes, Obama used the anniversary of King's birth to establish that his true legacy is being a half-black president who is nothing more than a [race-bait political hustler](#).

Regardless of one's conclusion about King's proper place in history (given the historical account of his

sometimes-lacking personal integrity and character), his [letter from a Birmingham jail](#) is well worth reading.

Here is another article from the same email!!

[Mauling MLK's Legacy](#)

Today is Martin Luther King Jr. Day, a national holiday celebrating the man who in 1963 [dreamed](#) that "my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character." Fifty-three years later, leftists, especially those indoctrinating our children in public schools, are making an utter mockery of that concept.

Illinois' New Trier High School is but one example. While most Americans are enjoying the federal holiday, New Trier has made today a mandatory school day, during which they will marinate their students in a series of seminars exploring black victimhood, inherent biases against people of color, and white guilt and privilege — "to better understand how we can all work to counter the impact of systemic racism in our lives," the school's website [states](#).

More than 60 workshops are a compendium of leftist talking points. Some of the session titles and descriptions are as follows:

- "One Person, One Vote: Can the Voting Rights Act be Saved?" It posits that "more and more Americans have found their ability to vote restricted by new voter ID laws, limits on early voting, inadequate election day facilities, and voter disenfranchisement."
- "Why Do I Have to Feel Guilty for Being White?" explains that discussions of race don't "usually feel good for anyone. White people often walk away feeling guilty and thinking, 'But I didn't do anything!' In this workshop, we'll explore how white guilt can become a roadblock in our journeys toward becoming white allies."
- "Disney and the Creation of Racial Identity" will focus on Disney films "and discuss how these films influence childhood development of racial identities."
- "Yer' A White Wizard, Harry: Whitewashing in Cinema" is a discussion "about white dominance in the film industry," that will be "taking a look at different cases where the voices of People of Color were silenced by the industry and how we can change it."

Aside from these and other equally pernicious sessions, students will be required to attend a "special presentation" by Ilyasah Shabazz, daughter of the late Malcolm X. Shabazz once stated that "anyone who says 'by any means necessary' is a violent statement is violent themselves, because it is a comprehensive statement. ... It could be political, social, [or] religious."

Students will also be required to attend a keynote address by Isabel Wilkerson, who supports the Black Lives Matter movement, and has [declared](#) that the outcomes in "Staten Island and Ferguson and elsewhere signal, as in the time of Jim Crow, that the loss of Black life at the hands of authorities does not so much as merit further inquiry and that the caste system has only mutated with the times."

Several parents [expressed their concerns](#). "They are supposed to be a neutral environment. Yet they are pushing all this 'white guilt,' using our kids for their own agenda, twisting their minds — whether it be sexual or racial," one wrote. Another added, "These 'workshops' and 'classes' seem likely to breed within the kids a sense of guilt and shame — as if they are at fault for the misfortune in the world and it is their responsibility to make amends."

These seminars seem to violate the policies of the New Trier Township High School District, which charges faculty members "to help our students identify arguments or preachments which are demonstrably unbalanced by bias, hate, calumny, distortion of facts, or ignorance of or indifference to the laws of evidence and the requirements of proof." District personnel are also warned to "refrain from using school contracts and privileges to promote partisan politics, sectarian religious views, or personal agendas of any kind."

Regardless, Dr. Linda Yonke, Superintendent of New Trier Township High School District 203, remained [fully supportive](#) of this indoctrination session, saying on New Trier's website, "Current events show us that there is still much work to be done toward creating a world in which people are judged by the content of

their character rather than the color of their skin."

Unfortunately, Yonke and her ilk are breeding another generation focused on just the opposite.

This is what passes for an education at a school ranked [number four](#) in the nation last year by Business Insider (BI). New Trier HS is located on Chicago's North Shore, a very upscale community. The student body is more than 90% Asian and white, an inconvenient reality that earned it a C+ for diversity from BI that stood in stark contrast to the magazine's A+ rating for the district's academics and teachers.

It cannot be said often enough: Schools are the *primary battleground* for the nation's soul, and for far too long, the Left has controlled them. That is why we get legions of young Americans well-versed in social justice, environmental radicalism, micro-aggressions and trigger warnings, and shamefully lacking in math, writing, history, civics and constitutional knowledge.

One suspects Martin Luther King would be embarrassed by New Trier's utter bastardization of his legacy, courtesy of the racial arsonists, the grievance mongers and the bean-counters who fancy themselves as keepers of King's flame. Igniters of the social unrest and racial division thoroughly rejected by King himself is more like it. *Dr. King was a gift to us & now his intentions are being all twisted up & disrespected. I believe Dr. King intended for everyone to be equal in every way and treat each other equally.*

Ya don't say... "There should be no bank too big to fail, and no individual too powerful to jail." — Hillary Clinton. *By her own words Hillary Clinton should be in jail. She illegally handled emails having to do with governmental issues. I honestly do not know if what happened in Benghazi was illegal, but she WAS responsible for providing security for US officials when they were out of the USA. Hillary did NOT provide that security even when she knew their lives were in danger, therefore, in my book she was responsible for their deaths. Now that she has been proven to have broken the law with her illegal emails and who knows what else, let's get her on her way to the lockup. If she was a Republican she would already be in jail. If this wasn't so serious it would be absolutely comical!!! Hillary's own words have come back to bite her!! Contact your Congressmen and women – JAIL HILLARY NOW!!!*

TRUMP'S FEARLESSNESS IS WHY HE WINS!

JANUARY 18, 2016

The Hill has an article today titled, "Why Trump wins, again and again." The title is intriguing, because that is exactly what Trump seems to do – he wins...again, and again. He has 'won' every debate, won in the public opinion polls, and even won on social media during the democrat's debates.

The Hill explains: Trump has unlocked an entirely new paradigm in presidential politics: the Pinocchio paradigm.

There's a famous scene from Walt Disney's "Pinocchio" that's basically an allegory of the Donald J. Trump story. Jiminy "Opinion-Writer" Cricket says, "Go ahead, make a fool of yourself. Then, maybe you'll listen to your conscience."

Then, Pinocchio J. Trump dances right along with all the regular marionettes. He's clumsy. He can't dance like the others. But the crowd loves him because he's "got no strings" and he's singing all about it at the top of his lungs.

As the crowd goes nuts for the fumbling, bumbling, stringless Pinocchio, Jiminy "Opinion-Writer" Cricket scratches his head, totally dumbfounded, and says, "Hmmm, they like him. He's is success. Gosh, maybe I was wrong."

Whether you worship or despise Trump, the man has no strings. Nobody controls Trump. Not the Republican Party, not the media, not the other candidates, not the donors, not social mores, not basic political truths, not special interest groups, not even the voters. Trump pulls their strings.

Trump's mastery in this area can't be argued. Nobody controls Trump! It's the reason he holds such appeal.

In fact, earlier this month, Rush Limbaugh had a caller on his show who was challenging Limbaugh on his 'defense of Trump.'

Limbaugh explains:

"Trump is demonstrating that every one of these things the Republicans have been frightened into silence over are unnecessary to be frightened of.

You don't need to be frightened of the media. You don't need to be frightened of political correctness. You don't need to be frightened of being conservative. You don't need to be frightened of anything. You can go out and say what you actually believe and you can get away with it and you can triumph.

For seven years we've had to sit here and listen to the Republican Party stand mute, afraid to say anything for fear of what the media's gonna say about 'em or what the president's gonna say about 'em or what anybody else is gonna say about 'em. There hasn't been any opposition whatsoever from the Republican Party leadership to what has been happening in this country seven years. Along comes somebody who is voicing opposition to it and promising to do something about it, and his name happens to

be Trump. I can't ignore it. I'm cheering what he's doing." **Food for thought – DO give it some thought!!**

Never Said Better

Rev. Graham has hit the nail on the head. I, too, believe that the country is lost. The "have not's and do not's" have won. Only some miracle can change it. This is the best e-mail I have read, bar none. We all can relate to it and pray to God that there is time to right the terrible wrongs that have invaded our country.

Never said better.

Read and pass on.

Time is like a river. You cannot touch the water twice, because the flow that has passed will never pass again.

Franklin Graham was speaking at the First Baptist Church in Jacksonville, Florida in January, 2015, when he said America will not come back. He wrote:

The American dream ended on November 6th, 2012 in Ohio. The second term of Barack Obama has been the final nail in the coffin for the legacy of the white Christian males who discovered, explored, pioneered, settled and developed the greatest republic in the history of mankind. A coalition of blacks, Latinos, feminists, gays, government workers, union members, environmental extremists, the media, Hollywood, uninformed young people, the "forever needy," the chronically unemployed, illegal aliens and other "fellow travelers" have ended Norman Rockwell's America.

You will never again out-vote these people. It will take individual acts of defiance and massive displays of civil disobedience to get back the rights we have allowed them to take away. It will take zealots, not moderates and shy, not reach-across-the-aisle RINOs to right this ship and restore our beloved country to its former status. People like me are completely politically irrelevant, and I will probably never again be able to legally comment on or concern myself with the aforementioned coalition which has surrendered our culture, our heritage and our traditions without a shot being fired.

The cocker spaniel is off the front porch, the pit bull is in the back yard. The American Constitution has been replaced with Saul Alinsky's "Rules for Radicals" and the likes of Chicago shyster David Axelrod along with international socialist George Soros have been pulling the strings on their beige puppet have brought us Act 2 of the New World Order. The curtain will come down but the damage has been done, the story has been told.

Those who come after us will once again have to risk their lives, their fortunes and their sacred honor to bring back the Republic that this generation has timidly frittered away due to white guilt and political correctness.

Got the guts to pass it on?

You bet I do and just did!

This may all be true, but are you going to throw in the towel and give up. I'll go down fighting -- isn't that what our fore fathers did? They were fighting against one of the greatest/strongest government/Country in the world at that time. Did they give up?? If they had we would NEVER have had this great Country. Now you are ready to give up just because it really looks bad? I'm not. I AM AND WILL continue to fight/struggle for what and who I consider best for our Country. Those who give up rarely accomplish what they want. Did you give up when you were raising your children? Did you give up when things didn't look good. Yes, those who bring our Country back to it's previous Glory MAY have to risk their lives, their fortunes and their sacred honor to restore the USA to what it once was. Is it NOT worth risking those things? You are NOT going to have them if you DON'T fight for them so what do you have to lose by trying? Pay attention to what is happening and do what you can and need to to return the USA to her greatest potential. I pray we won't need to "bear arms" but what is is. Let's pray we can accomplish needed feats legally and in the voting booth. To help get others out to vote you can't sit on your duff and moan and groan. **WAKE UP!!! BE A TRUE AMERICAN!! FIGHT TO KEEP WHAT IS SLIPPING AWAY!!**

ABSOLUTELY BRILLIANT!!

COSTELLO: I want to talk about the unemployment rate in America.

ABBOTT: Good Subject. Terrible Times. It's 5.6%.

COSTELLO: That many people are out of work?

ABBOTT: No, that's 23%.

COSTELLO: You just said 5.6%.

ABBOTT: 5.6% Unemployed.

COSTELLO: Right 5.6% out of work.

ABBOTT: No, that's 23%.

COSTELLO: Okay, so it's 23% unemployed.

ABBOTT: No, that's 5.6%

COSTELLO: WAIT A MINUTE. Is it 5.6% or 23%?

ABBOTT: 5.6% are unemployed. 23% are out of work.

COSTELLO: If you are out of work you are unemployed.

ABBOTT: No, Obama said you can't count the "Out of Work" as the unemployed. You have to look for work to be unemployed.

COSTELLO: BUT THEY ARE OUT OF WORK!!!

ABBOTT: No, you miss his point.

COSTELLO: What point?

ABBOTT: Someone who doesn't look for work can't be counted with those who look for work. It wouldn't be fair.

COSTELLO: To whom?

ABBOTT: The unemployed.

COSTELLO: But ALL of them are out of work.

ABBOTT: No, the unemployed are actively looking for work. Those who are out of work gave up looking and if you give up, you are no longer in the ranks of the unemployed.

COSTELLO: So if you're off the unemployment rolls that would count as less unemployment?

ABBOTT: Unemployment would go down. Absolutely!

COSTELLO: The unemployment just goes down because you don't look for work?

ABBOTT: Absolutely it goes down. That's how it gets to 5.6%. Otherwise it would be 23%.

COSTELLO: Wait, I got a question for you. That means there are two ways to bring down the unemployment number?

ABBOTT: Two ways is correct.

COSTELLO: Unemployment can go down if someone gets a job?

ABBOTT: Correct.

COSTELLO: And unemployment can also go down if you stop looking for a job?

ABBOTT: Bingo.

COSTELLO: So there are two ways to bring unemployment down, and the easier of the two is to have people stop looking for work.

ABBOTT: Now you're thinking like a Democrat*.

COSTELLO: I don't even know what the hell I just said!

ABBOTT: Now you're thinking like Hillary.

I don't like using the names Costello and Abbott, but don't know what other names to use – I can't put words in anyone's mouth. You can see the stupidity of this argument, can't you? Well, now you see the lack of real truth in our Federal Government reports. Remember this when you hear unemployment reports – remember just because someone is NOT on unemployment does NOT mean they are employed!! They just are not bringing in money to support their families from a job. Clear as mud, huh? What happened to HONESTY in reports??

FYI,

This proposal is not a new one, previous ones never made it out of the legislature, shot down by a combination of entrenched bureaucracies and "home town" pride.

<http://www.wibw.com/home/headlines/Kansas-would-have-fewer-school-districts-under-new-proposal-365975511.html>

TOPEKA, Kan. (AP) — A Republican legislator in Kansas has outlined a proposal to cut the number of local public school districts in the state by more than half.

Rep. John Bradford of Lansing said the plan he introduced Wednesday would leave the state with 132 school districts instead of the current 286. Ninety-nine of the state's 105 counties would have only one district.

Bradford said the state can achieve significant savings by reorganizing school districts because there would be fewer administrators and administrative buildings. He said the plan would not close individual schools.

Some fellow Republicans said they are interested in looking at how local school districts can operate more efficiently. But Kansas Association of School Boards lobbyist Mark Tallman said there's no evidence that Kansas residents want to consolidate districts.

Go back and read the bold sentence at the top of this article. Think of the money that could be saved if we had just half of those who love spending money, their way, and ignore many of their actual duties. Those of us in Riley County School District have had a bad row to hoe in the last few years. Our district has gone from one of the best of our size to one of the worst. How did it happen? – With a top dog that cared only for the athletic abilities of our students and didn't pay attention to anything else. The buildings were crumbling, the teachers didn't have to teach, no grade average was required to play sports, the athletics achievements were all that mattered. He had the School Board and many citizens thinking that was the way a school should be. It is a real uphill battle trying to bring studies back to priority. We need to be sure student/teachers are safe as possible in storms and to prevent gun attacks. We need to give any student with whatever talent they have to become the best they can be – be it with a musical instrument, a sport talent, a farming talent, bookkeeping, science, writing, or whatever. They need the help and room to develop the GOD given talents whatever those may be. More and better teachers and less top dogs are needed. I would go with that!! However, another thought must be examined. It is essential that small districts are NOT combined with larger districts. If that happens the smaller districts will be swallowed whole and their needs would be ignored. My suggestion would be to combine districts within their sports league – meaning combined with districts of similar size. Take 2 members of each school board to make up a new board. That could work and be beneficial to all. The money saved on administration could be used to hire more and better teachers, teach more subjects which would be extremely beneficial to students by expanding their learning range. No more money would be spent and students would benefit.

Great Summation of What is Wrong!

“We have two lives... The one we learn with and the life we live with after that.” — Bernard Malamud, American author (1914-1986).

Free from the nine-to-five grind of writing for employers and clients, she began writing political commentary to please herself and express her convictions.

The accomplishment of which she is most proud is her volunteer work at an Army base where she looked into the eyes and hearts of the service

***ABSOLUTELY NO ONE**, could have described this President more accurately. This is a brief biography that articulates the man, his life and his goals perfectly!*

The Architect of Destruction

By Maureen Scott

Barack Obama appears to be a tormented man filled with resentment, anger, and disdain for anyone of an opinion or view other than his. He acts in the most hateful, spiteful, malevolent, vindictive ways in order to manipulate and maintain power and control over others. Perhaps, because, as a child, he grew up harboring an abiding bitterness

toward the U.S. That was instilled in him by his family and mentors...it seems to have never left him.

It is not the color of his skin that is a problem in America.

Rather it is the blackness that fills his soul and the hollowness in his heart where there should be abiding pride and love for this country.

Think: Have we ever heard Obama speak lovingly of the U.S. Or its people, with deep appreciation and genuine respect for our history, our customs, our sufferings and our blessings?

Has he ever revealed that, like most patriotic Americans, he gets "goose bumps" when a band plays "The Star Spangled Banner," (no he gets goose bumps when he hears the

"Muslim call to prayer" (his words) or sheds a tear when he hears a beautiful rendition of "America the Beautiful?" Does his heart burst with pride when millions of American flags wave on a National holiday - or someone plays "taps" on a trumpet? Has he ever shared the admiration of the military, as we as lovers of those who keep us free, feel when soldiers march by?

It is doubtful because Obama did not grow up sharing our experiences or our values. He did not sit at the knee of a Grandfather or Uncle who showed us his medals and told us about the bravery of his fellow troops as they tramped through foreign lands to keep us free. He didn't have grandparents who told stories of suffering and then coming to America, penniless, and the opportunities they had for building a business and life for their children.

Mostly, his time seems to be spent causing dissension, unrest, and anxiety among the people of America, rather than uniting us (even though he was presented to us as the "Great Uniter"). He creates chaos for the sake of keeping people separated, envious, aggrieved and ready to argue. Under his leadership Americans have been kept on edge, rather than in a state of comfort and security. He incites people to be aggressive toward, and disrespectful of, those of differing opinions. And through such behavior, Obama has lowered the standards for self-control and mature restraint to the level of street-fighting gangs, when he should be raising the bar for people to strive toward becoming more considerate, tolerant, self-disciplined, self-sustaining, and self-assured.

Not a day goes by that he is not attempting to defy our laws, remove our rights, over-ride established procedures, install controversial appointees, enact divisive mandates, and assert a dictatorial form of government.

- Never has there been a leader of this great land who used such tactics to harm and hurt the people and this country.

- Never have we had a President who spoke with a caustic, evil tongue against the citizenry rather than present himself as a soothing, calming and trustworthy force.

- Never, in this country, have we experienced how much stress one man can cause a nation of people - on a daily basis!

Obama has promoted the degeneration of peace, civility, and quality of cooperation between us. He thrives on tearing us down, rather than building us up. He is the Architect of the decline of America, and the epitome of a Demagogue.

Letter from Congressman Tim Huelskamp

January 25, 2016

Dear Friend,

If you are like me, you did not watch last weekend's presidential debate featuring the Democrats' front runner, Hillary Clinton. But we should keep a close eye on what the leading candidate for the party of the far left is promising their liberal base.

In the debate, Clinton said "I am absolutely committed to universal health care," and that ObamaCare means we "finally have a path to universal health care."

There you have it, a clear admission of what ObamaCare is all about to Hillary Clinton. As president, she would continue the effort to destroy the private insurance market and put a single-payer Big Government system in its place. And it is clear from the ObamaCare mandates that a government-run system will ration care to our seniors and provide taxpayer funding for abortions just like it does in socialist systems in Europe.

There is no question: ObamaCare and Hillary Clinton must be stopped.

Hillary Clinton is backed by every liberal group you can imagine. They want a third term of the disastrous

Obama Administration. Planned Parenthood even took the unprecedented step of endorsing Clinton in the Democrat's primary.

One Washington special interest group, the American College of OB-GYNs (ACOG), is a group that is backing Hillary Clinton's priorities like expanding ObamaCare and funding Planned Parenthood. ACOG's PAC has given hundreds of thousands of dollars to pro-abortion, pro-ObamaCare Democrats like Chuck Schumer.

And last week, the Federal Election Commission revealed that **my opponent had accepted \$2,500 from ACOG**. Not only did he accept the contribution, **he actually wrote a \$1,000 personal check to support their efforts to elect Democrats like Hillary Clinton**. And **he is a Fellow for the organization**, which means he works closely with them to support their efforts..

One thing is becoming clear, the status quo forces in Washington that want to keep growing government programs like ObamaCare and using tax dollars to pay for abortions have found their candidate in Kansas. They are backing him financially. And as a rich hospital CEO, he has already given his own campaign over \$160,000.

I am grateful for thousands of grassroots conservatives like you who have stood with me as I fight back against the Washington Establishment machine. [Will you do it again by making your most generous contribution right now to help me win again in 2016?](#)

Together, we can ensure Hillary Clinton, her liberal special interest backers and their preferred candidate, never win.

Yours in Liberty,

Tim Huelskamp

WOW!!! That tells us a lot!!! The Dr. that is running against Rep. Huelskamp in the coming election is supporting the American College of OB-GYNs (ACOG) that supports Democrats and contributes to their elections. This is a group that performs abortions, therefore, everyone contributing to them is financing abortions. On the Drs flyers it states he believes "unborn lives should be protected". HIS WAY OF PROTECTING THE LIVES OF UNBORN BABIES IS TO FINANCE THE GROUP PERFORMING THE ABORTIONS/MURDERS!!! By supporting this organization he is also supporting ObamaCare and the Democrats. To make it clear – anyone voting for this Dr. is voting in favor of Abortions and the Democrats. We need to support Tim Huelskamp in every way – financially, spoken, and attending his Town Halls AS WELL AS VOTING FOR TIM. On another topic – I attended a Huelskamp Town Hall last week where he assured me the House intends to override President Obama's veto of the bill to get rid of Obama Care. I will be hoping and praying they are successful. In the debate going on right now, 1/28/16, Ted Cruz just supported what I said at the end.

I have received the following from Rep Lynn Jenkins. I want to Thank the Congresswoman for her monitoring this situation. To bring the detainees into the USA to be in prison would be one way to get them in the Country so they can bring more destruction & murder to the American people and the USA. Our destruction is the aim and goal of our President. He has been working on it all during his presidency. Pres. Obama is gearing up his push for complete destruction in his last year. Let's PRAY!

The Honorable Ashton Carter, • Secretary of Defense
1000 Defense Pentagon
Washington, D.C. 20301

Dear Secretary Carter:

It was reported on January 14, 2016, that you are preparing to submit a report to the President on a plan to close the detention facility at Guantanamo Bay, Cuba. Many of those reports quote you as saying: "That plan

will propose bringing those detainees to an appropriate, secure location in the United States." One of those potential sites is the Disciplinary Barracks located at Ft. Leavenworth, Kansas. As part of your efforts to develop that plan, the Department of the Defense undertook site surveys of the three potential locations, including Ft. Leavenworth, Kansas. As the Member of the House of Representatives representing Leavenworth County, I request a copy of the results of that survey.

I appreciate your understanding of the impact this plan and its potential implementation may have on my constituents and other residents of the great state of Kansas. I further appreciate your prompt reply, including a copy of your detailed report regarding the plan to close the Detention Center at Guantanamo Bay and subsequent transfer of its detainees to the United States.

Sincerely,

Lynn Jenkins, CPA

Member of Congress

I'M 73 AND I'M TIRED.

I am 80, and also, am tired of the following: **By Robert A. Hall** **I'm 73**

Robert A. Hall is a Marine Vietnam veteran who served five terms in the Massachusetts State Senate.

[This should be required reading for every man, woman and child in the UK, in the U.S.A, Canada, Australia, New Zealand and Western Europe](#)

Except for one semester in college when jobs were scarce and a six-month period when I was between jobs, but job-hunting every day, I've worked, hard, since I was 18. Despite some health challenges, I still put in 50-hour weeks, and haven't called in sick in seven or eight years. I make a good salary, but I didn't inherit my job or my income, and I worked to get where I am. Given the economy, there's no retirement in sight, and I'm tired. Very tired. **I'm tired** of being told that I have to "spread the wealth" to people who don't have my work ethic. I'm tired of being told the government will take the money I earned, by force if necessary, and give it to people too lazy to earn it.

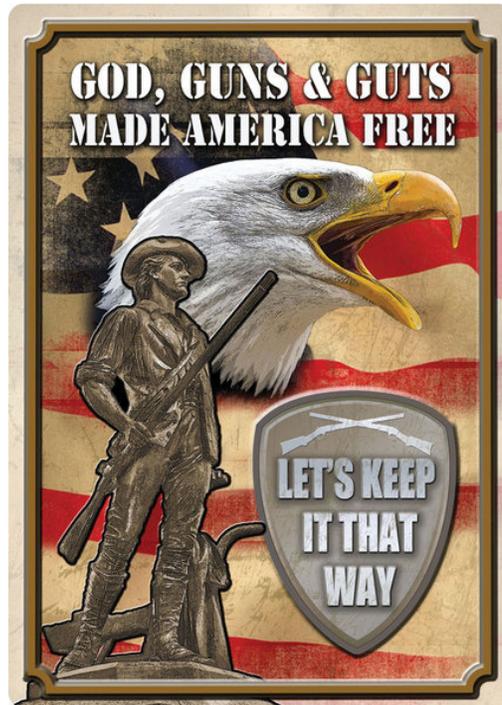

I'm tired of being told that Islam is a "Religion of Peace," when every day I can read dozens of stories of Muslim men killing their sisters, wives and daughters for their family "honor"; of Muslims rioting over some slight offense; of Muslims murdering Christian and Jews because they aren't "believers;" of Muslims burning schools for girls; of Muslims stoning teenage rape victims to death for "adultery;" of Muslims mutilating the genitals of little girls; all in the name of Allah, because the Qur'an and Shari???a law tells them to. **I'm tired** of being told that, out of "tolerance for other cultures," we must let Saudi Arabia use our oil money to fund mosques and mandrassa Islamic schools to preach hate in America and Canada, while no American nor Canadian group is allowed to fund a church, synagogue or religious school in Saudi Arabia to teach love and tolerance. **I'm tired** of being told I must lower my living standard to fight global warming, which no one is allowed to debate.

I'm tired of being told that drug addicts have a disease, and I must help support and treat them, and pay for the damage they do. Did a giant germ rush out of a dark alley, grab them, and stuff white powder up their noses while they tried to fight it off?

I'm tired of hearing wealthy athletes, entertainers and politicians of both parties talking about innocent mistakes, stupid mistakes or youthful mistakes, when we all know they think their only mistake was getting caught. I'm tired of people with a sense of entitlement, rich or poor. **I'm real tired** of people who don't take responsibility for their lives and actions. I'm tired of hearing them blame the government, or discrimination or big-whatever for their problems.

Yes, I'm tired. But I'm also glad to be 73. Because, mostly, I'm not going to have to see the world these people are making. I'm just sorry for my granddaughters and grandson.

I understand what Robert A Hall is saying and agree. However, I am NOT willing to just give up I think we can struggle, work, vote to make a change. We MUST do all we can to stop our countries destruction and start to return it to what it used to be. Learn all you can about what has been changed – how to change it back. Citizens are the only ones able to accomplish this. Learn, work to achieve, accomplish. There is nothing United States citizens can't accomplish when the work toward a success – success for the United States of America and United States Citizens!!! Successful life all around the World depends on it!!! Learn, think, VOTE!!!
