- Deficit Reduction Check-Off Act.
- **TOTAL SAVINGS: \$2.5 Trillion over Ten Years**

My question is, *what is all this doing in the budget in the first place?!* Maybe this is why the Democrats are attacking Paul Ryan.

Please Send to everyone you know.

There are so many places where money could be **SAVED** – cuts could be made. I would like to see the entire budget. To start with – adopt the Fair Tax and do away with the IRS. The Dept of Education should be closed – yes, completely closed. The Federal Department of Education started in 1980, under Jimmy Carter. The majority of EPA could/should be stopped; etc. Is there somewhere we can see a complete budget of the Federal Government? I could be wrong, but it is my understanding that the only duty of the Federal Government, **according to the Constitution**, is dealing with Branches of Military and Federal Defense. The States were to take care of everything else for themselves and work with each other. How did we get into such a mess?

I was browsing and look what I found.

## **Opinion of Loretta Lynch**

**Written by Dr. Orly Taitz, ESQ [ESQ. stands for "esquire", which is an old-timey way of saying lawyer.]**

*I started investigating Loretta Lynch, Obama's pick for Attorney General and immediately could see an interesting connection. I read an article stating that when Loretta Lynch started Harvard, she co-founded an African-American sorority. There was only one other girl in this sorority, Sharon Malone. The name rang a bell.*

*The name of the wife of AG Holder is Sharon Malone, she is the sister of a known civil rights leader Vivien Malone-Jones (one of 2 black students who enrolled in all white University of Alabama).*

*I checked the age: both were born in 1959 and both went to Harvard at the same time. There were very few African American students in Harvard in 1977-1981, so I am rather certain that Loretta Lynch is an old college friend of Sharon Malone, the wife of the current AG Eric Holder.*

*Why this connection is important? Holder will be investigated by Congress for totally lawless gun trafficking to Mexican drug cartels in Fast and Furious, IRS scandal, VA scandal, DOJ, NSA, EPA, FEC and other scandals. Most importantly, Holder covered up Obama's use of a stolen CT Social Security number of Harrison J. Bounel [042-68-4425] and Obama's use*

of bogus IDs. It seems that a long time college friend of Holder's wife was picked up as a gatekeeper to continue all of the cover up by Holder and shield Holder and Obama from criminal prosecution.

As far as I can find out this appointment has been put on hold until the new Congress members take office in January. Read carefully -- No wonder the Liberals think she is "the one". Let's hope our "newly elected" are aware of who she is & where she came from & what her records are!! – Don't believe she is who & what "we" are wanting in that position!! Got any suggestions? Let your "new" & "old" Congressmen AND Congresswomen KNOW who Loretta Lynch is - who her buddies are, as well as her records!! Give this info lots of thought – hopefully – many will be replaced. Tell others of this -- **Don't just sit there!!!**

---

*I had ask permission of the individual who sent me the sentence on "the boxes" to use them in the Newsletter. After finalizing that Newsletter I received the following from him.*

### **Myron, can I use your "boxes" in the Patriot's Truth newsletter?**

Yes, if you'll credit them to me. Here is "the rest of the story":

The subject is "boxes which preserve our freedoms".

Web pages which feature quotations about freedom and liberty often include one of the following, and they either don't attribute it to anyone or they attribute it to "Anonymous":

\* We preserve our freedoms using three boxes: ballot, jury, and cartridge.

\* We preserve our freedoms using four boxes: soap, ballot, jury, and cartridge.

\* We preserve our freedoms using five boxes: soap, ballot, witness, jury, and cartridge.

But it really should be attributed to me, "Dr. Myron A. Calhoun"!

A web search shows that, as early as 1991, my email "signature" was: "We preserve our freedoms using three boxes: ballot, jury, and cartridge."

Although I don't remember from whence it came, I am sure that the three-box version was NOT original with me! However, after I began using it, some unremembered correspondent told me I had left out the soap box, so by 1993, my email "signature" included: "We preserve our freedoms using four boxes: soap, ballot, jury, and cartridge."

Later, another correspondent suggested a fifth box, and I had to re-word my quotation a little to keep it under 80 characters (so it wouldn't "wrap" on the CRT screens of that era); by 1994, and to this day, my email "signature" almost always includes: \* We preserve our freedoms using five boxes: soap, ballot, witness, jury, and cartridge."

I attended a meeting recently, and, much to my surprise and delight, the speaker's PowerPoint presentation opened with my five-box version – but it wasn't attributed to anyone. However, when I claimed it, someone else at the meeting who knew me agreed that it was MY quotation!

Just thought you'd like to know "the rest of the story" (with credit to Paul Harvey for that famous phrase).

Five boxes preserve our freedoms: soap, ballot, witness, jury, and cartridge.

In French: Cinq boîtes préservent nos libertés: savon, vote, témoin, jury, et cartouche

NRA Life Member & Certified Instructor for Rifle, Pistol, & Home Firearm Safety

In French: Je suis un membre de vie de l'association de fusil nationale et d'un instructeur certifié pour le fusil, pistolet, et sûreté à la maison d'arme à feu.

## **BEST DESCRIPTION OF BHO EVER**

Probably the best description of Barack Hussein Obama I have found. Read it slowly and think about it!! It is written by Dr. Jack Wheeler.

Jack Wheeler is a brilliant man who was the author of Reagan's strategy to break the back of the Soviet Union with the "Star Wars" race [S.D.I.] and expose their inner weakness. For years he wrote a weekly intelligence update that was extremely interesting and well structured and informative. He consults(ed) with several mega corporations on global trends and the future, etc. He is in semi-retirement now. He is a true patriot with a no-nonsense approach to everything. He is also a somewhat well-known mountain climber and adventurer... **HERE IS DR. WHEELER'S DISCRPTION:**

The O-man, Barack Hussein Obama, is an eloquently tailored empty suit. No resume, no accomplishments, no experience, no original ideas, no understanding of how the economy works, no understanding of how the world works, no balls, nothing but abstract, empty rhetoric devoid of real substance.

He has no real identity. He is half-white, which he rejects. The rest of him is mostly Arab, which he hides

but is disclosed by his non-African Arabic surname and his Arabic first and middle names as a way to triply proclaim his Arabic parentage to people in Kenya. Only a small part of him is African Black, from his Luo grandmother, which he pretends he is exclusively.

**What he isn't, not a genetic drop, is 'African-American,'** the descendant of enslaved Africans brought to America chained in slave ships. **He hasn't a single ancestor who was a slave.** Instead, **his Arab ancestors were slave owners.** **Slave-trading was the main Arab business in East Africa for centuries** until the British ended it.

Let that sink in: **Obama is not the descendant of slaves, he is the descendant of slave owners. Thus he makes the perfect Liberal Messiah.**

*Which is what he believes he is when it comes to American Blacks – **the perfect slave owner.** He owns them & they must do exactly as he wishes – be ignorant & play his game – be independent on him, the government, for everything they have – riot when HE says RIOT!! They make themselves look ignorant by following his ways. A race of intelligent, competent people allowing a man whose forefathers enslaved them, to look incompetent and foolish.*

It's something Hillary doesn't understand - how some complete neophyte came out of the blue and stole the Democrat nomination from her. Obamamania is beyond politics and reason. It is a true religious cult, whose adherents reject Christianity yet still believe in Original Sin, transferring it from the evil of being human to the evil of being white.

Thus Obama has become the white liberals' Christ, offering absolution from the Sin of Being White. There is no reason or logic behind it, no faults or flaws of his can diminish it, no arguments Hillary could make of any kind can be effective against it. The absurdity of Hypocrisy Clothed In Human Flesh being their Savior is all the more cause for liberals to worship him: *Credo quia absurdum -- I believe it because it is absurd.*

Thank heavens that the voting majority of Americans remain Christian and are in no desperate need of a phony savior. He is ridiculous and not to be taken seriously by any thinking American.

And yet he got elected, not once but twice. Thanks to those that did not think it was important to vote for freedom and those that were willing to give up their freedoms for entitlements.

**Remember you don't have to be on a southern plantation to be a slave. If you are dependent on government entitlements you just have a different slave owner.**

*Keep this handy -- you might want to read it again when you have learned/reread some of the things he has done. It won't make what he had done better or good. However, it just might help you understand WHY he has done them. Now it is the job of our newly elected to undo many of his actions, as well as replace him.*

---

**Ineptocracy (in-ep-toc-ra-cy) - a system of government where the least capable to lead are elected by the least capable of producing, and where the members of society least likely to sustain themselves or succeed, are rewarded with goods and services paid for by the confiscated wealth of a diminishing number of producers.**

**Somehow that has a very familiar ring!! Hm-m-m-m-m-m.**

---

**"No longer could we reflect with generous pride, on the heroic actions of our American forefathers... if we but for a moment entertain the thought of giving up our liberty."**

**STUPID DOES AS STUPID IS.**

**FERGUSON PROTESTER ACCIDENTALLY BURNS DOWN OWN HOUSE**

Nov 26, 2014

A protester in Ferguson, Missouri accidentally burned down his own house last night after mistaking the building for a convenience store.

According to a report in the Ferguson Post-Gazette, 32-year-old Tyler Jackson threw a Molotov cocktail into a window not realizing he was setting ablaze his own residence.

The home, which was empty at the time, subsequently burned to the ground.

"It was dark. I got all turned around. I thought it was a 7-11 or something," he told the newspaper.

Witnesses describe Jackson shouting expletives after he realized what he had done. He then tried to put out the flames

himself with a garden hose, but eventually called 911 and asked the fire department for aid.

“They told me they were too busy with other fires to come help,” he lamented. “I couldn’t believe it. I mean we pay these people’s salaries! What do you mean you’re too busy?”

“A black person’s house burns down and suddenly you’re ‘too busy’ to put the fire out? This is what racism in America looks like.”

Ferguson was the site of a controversial shooting on Aug. 9 when Michael Brown, an 18-year-old unarmed black teenager, was shot by police officer Darren Wilson.

Protests have [raged](#) in the town after a grand jury refused to indict Wilson on Monday. Although the majority of protests have been peaceful\*, a substantial minority of protesters have attacked law enforcement officers, looted stores and set fire to buildings.

These attacks have been called self-defeating because they usually target stores located in their own community and owned by local businesspeople. The damage has been compounded by the fact that many fires go unattended due to concerns for the firefighter’s safety.

Nevertheless sources say Jackson is considering filing a civil rights lawsuit against the fire department for not responding to the blaze.

“If it weren’t for those racist firefighters I’d still have a home,” he says.

*\*They are carrying Obama’s water with this comment.*

*Can you believe it? Can you believe that people can be so obsessed with telling lies, so obsessed with convincing others how bad things are that they even manage to bluff themselves? Then get so carried away with convincing themselves and others how BAD things are that they set THEIR OWN HOUSE ON FIRE -- BY ACCIDENT – when he was trying to burn a neighborhood store. Then blame the firefighters for not leaving the fires they were already fighting to come put out the fire HE SET. As ridiculous as this is it is even more ridiculous that these deceived people are allowing themselves to be deceived. They are NOT STUPID – They have become so obsessed with receiving a living without working for it that they are betraying themselves. Let’s set about showing/teaching them how much better it is to EARN their own living -- To be able to take pride in their accomplishments and the accomplishments of others.*

*Let us pray that GOD will show us the way to bring all Americans as well as our Country back to Christ and the Constitution. Please GOD, show us the way.*

Political Outcast

CONFRONTING THE ESTABLISHMENT SINCE 1776

**POLICE DON’T APPRECIATE VOLUNTEERS PROTECTING FERGUSON**

POSTED ON 12/3/14 BY MARK HOME

**Police not protecting Ferguson order volunteers to stop protecting Ferguson**

One of the [real police victories in this story](#) is that, when a father used a baseball bat to rescue his daughter from a pimp, the police cooperated and arrested the pimp. There was nothing in the story about the police finding some reason to charge the father for “taking the law into his own hands.”

In Ferguson, however, the police (or someone in charge of the police; I’m not going to assume that every one of them is so unreasonable) are acting like an entitled monopoly rather than public servants in a free country with a Second Amendment.

Volunteers have come to provide security for businesses and protect building from arson. They are an outfit called Oath Keepers — a name that points to their vow to never violate the Constitution or follow an unlawful order to do so. They are mostly former or current military, police, firefighters, etc.

According to my [local Fox 2 station](#), Oath Keepers spokesman Sam Andrews claims that they have won over the residents.

*“Once they got to know us they said, ‘We’re so glad you’re here. Thank you for coming; we appreciate everything you’re doing. Keep it up, please don’t leave. we trust you, we love you.’ Things like that.”*

It took some time, however. Residents at first mistook them for police and were hostile. Apparently, during one of the first nights they were guarding buildings — a bitterly cold night — one of Michael Brown’s relatives accused an Oath Keepers member of belonging to the Ku Klux Klan. The man was bundled up against the cold, but when he heard the accusation he pulled off his face mask and said, “Really? Do you think they expanded their membership opportunities?”

He was Native American and Filipino.

But while the residents have been won over, the police have grown more resistant. They have ordered the

volunteers to leave.

Yes, the police [who have been notorious for not protecting Ferguson](#) are now actively intervening to keep others from protecting Ferguson.

*A week ago today as Ferguson smoldered, the Oath Keepers, a volunteer network of current and former U.S. military, police and firefighters moved in to guard businesses, residents and peaceful protesters. However, on Saturday, they were ordered to leave by St. Louis County police after being welcomed earlier in the week.*

*Leader Sam Andrews complied but is legally challenging that order to leave. Tuesday, they are going to get an order against that junction. The organization is looking for volunteers to assist.*

*“Chief Belmar has told his men to do unconstitutional things like ID people who have not committed crimes. Coming on private property and ordering them off of private property when they are not committing a crime. Chief Belmar needs to resign or start acting in a very constitutional way.” said Sam Andrews.*

#### **Why did they tell you to vacate?**

*“They claim that they had a St. Louis County ordinance that prevented anyone from securing a building or conducting a security operation without a St. Louis County license.” said Sam Andrews. “We are all volunteers, as a matter of fact, no one has taken a dime. Everyone spent their own money to get out and help the people of Ferguson.”*

This is not an American way to act toward volunteer helpers.

This whole situation is so FAKE!!! It has been proven that Michael Brown was not an innocent child as his stepfather is pretending. I'm not saying Michael Brown is “no good”, but he was robbing a business and attaching a policeman. I'm sorry he was killed. It is too bad he was living his life on the wrong side of the law. What would you expect anyone to do in this policeman's position? Then when the police either can't or won't control the situation a group known as the “Oath Keepers” come to the assistance of the police their help is refused. WHY? The police, and other “official” personnel can't/won't control the crowd. WHY REFUSE HELP?

**FINALLY someone with some kind of brain speaks out.**

### **Subject: Clear Up a Few Black and White Questions and Answers**

This is rather abrasive, but this old guy is dying, and his words really leave one to focus and reflect.

I wanted to clear up a few black and white questions and answers. The things I state are facts. They are not downloaded from some media website, not propaganda, just observations from a 80 year old black man, born in America.

I was told by my parents (yes, a married man and woman with my last name), that I was nigger. We lived in “Nigger Town” in a small Texas town, no A/C, grass growing through the floor, no car, no TV. We washed our bodies with lye soap that my mother made, by hand. I thought I was a nigger, until I graduated high school, went to college, did an enlistment in the Army, and got a job. I am now retired, own my own home, have 6 children by ONE WOMAN, and we all have the same last name. I have a Bachelor's Degree in Liberal Arts, a Master's Degree in Sociology. My retirement, VA disability from combat in the Korean War (I only have one leg), and part-time pay in a local college, is about \$125,000 a year. From dirt-poor nigger to old, black, proud American.

Yes, I am black, and I can say “nigger”, because I understand the true meaning of the word.

#### **Let's clear up a few things about the Michael Brown incident.**

- Fact: It is not called “shoplifting or stealing”, it's called “robbery”, which is a felony. Brown stole something and assaulted someone, that means ROBBERY. It's on video, and it's a fact. Not shoplifting, not theft, not “lifting” a few cigars, but ROBBERY!

- Michael Brown, like Trayvon, was portrayed by the media as a “little black boy”, cute little headphones, and his cap and gown photo, gunned down by a ruthless police assassin, executed by “whitey”. First, I have never seen a cop drag a person into their car's driver door to arrest them. So, let us be clear, Michael Brown was a nigger; a sorry assed, criminal, hoodlum, nigger. Nobody wants to say that, but I will. He had a criminal record a mile long, was known for numerous assaults, robberies, including the one you saw with your own eyes, and still refuse to call it a robbery. He was, like so many others, living a life that he thought he was “entitled” to, just for being alive. Gangsta rap, weed, drinking, guns, and those stupid-assed low profile rims, makes him some kind of bad-ass nigger.

- I have fought communist Chinese and North Korean soldiers in the 1950's with more honor than that nigger. Yep, I peeled potatoes and shot communists. That's the only job a nigger soldier could get.

- Rodney King? Black Riots!

- Trayvon? Black Riots!
  - Hurricane Katrina? Black Riots! Stealing TV's, designer clothes, etc.
  - O.J. Simpson kills white man and white woman, found NOT GUILTY? Did white folks riot? Nope!
  - In fact, when is the last time white people rioted? Civil War, maybe? That's because they are, relatively, civilized people, much like many black Americans. Protesting is one thing, hell, I'm all for it. Even if you are an ignorant idiot, you have a right to protest.
  - Stop only showing the young black "cap and gown" photos of Michael. Charles Manson may have a few of those laying around, as well. Show the nigger "gangsta" photos of the "poor unarmed teenager" (grown man) pics that have been removed from his Facebook page, holding the loaded pistol, smoking weed, with a mouthful of money.
  - Militarization? The stupid-assed media that publicizes this has no idea what "militarization" really is. Cops wear helmets and vests, and drive armored vehicle because unemployed niggers thrown bricks at them, moron! You put on an "Adam 12" uniform and walk down the streets of Ferguson during the criminal riots. I can guarantee that you'll jump into the first armored "military tank" that you see.
  - You only "want the police" when you "need the police", otherwise, you mock and fear what you do not understand about the police. And by the way, the police are trained to take your shit, but I wouldn't mess around with those Army National Guard, they aren't as well disciplined "culturally" to take your shit like police do every day. They will ventilate your black asses with M-16's, with military precision and extreme prejudice.
  - And finally, the way we protest and demand justice, is run down the streets breaking shit, looting stores, and acting like a bunch of untrained monkeys? Hell, after Rodney King, criminal niggers were actually killing people, thinking they were entitled to be worse criminals than they already were. For those black criminals that do that, you are a disgrace to your race, inflamed by idiots like Al Sharpton, instead of listening to logic from proud black Americans, like Colin Powell, Allen West, me, etc.
  - You blame white people for your ignorance, criminal acts, unemployed laziness, etc.
  - You blame white people for 89% of the prisons in America being full of blacks. They did nothing wrong, the racists white cops framed them all, right? No chance at school, no chance for college, military, employment? BULL SHIT!
  - More niggers kill niggers, than niggers killing whites, whites killing niggers, and whites killing whites... COMBINED. I find this astounding.
  - It's not white peoples' faults. The Emancipation Proclamation was signed by a white man years ago. You can go to school, get a job, buy a house, and vote, JUST LIKE WHITE FOLKS!!!! You are not a slave, you are not discriminated against! Slavery is abolished, and nobody alive today, was alive when it was popular. Get over it! You are discriminated against because you are a criminal, sorry-assed nigger. Otherwise, black Americans are treated like everyone else.
  - If you choose to create "baby daddy and baby mama", and fake disabilities as an excuse for laziness to draw social security disability... instead of husband, wife, family, job, mortgage, it's YOUR FAULT, not white folks. And there are a lot of proud black Americans that will tell you the same, as I AM ONE OF THEM!!!
  - Remember, the way you act on the camera, is remembered by everyone who sees it. They will never forget it. It shows them how you, as the black race, responds to situation that don't particularly go the way you think they should. It will become a reference standard, something they expect from you when the next media report doesn't go your way. Stop being stupid niggers, and be a proud black American. My parents raised me well, but they were wrong about one thing, I am not a nigger.
- I will not be around long. While my mind is still sharp, and my aim is still good, my body is eating away with cancer. It started in the prostate, and is spreading rapidly. After I die, I have asked my children to publish my writings, and include my name. Although I am not expecting any miracles, I can only hope that Americans will stop blaming color, start blaming criminals, and see people for what they really are. We have too many countries that want us dead. We should not be fighting each other.

Only a black person could word this in this particular way. Somehow, the blacks need to realize & understand that other races also have problems, & we must learn to ignore the color of skin & accept individuals for what is in their hearts & minds. If we are to have the greatest Country in the World again, we must learn to work together. We can have an even **GREATER** Country with **GOD'S help**. Let US Pray!! **GOD be with us, guide us, give us the knowledge & desire to be YOURS.**

## North Dakota Names Landfill After Obama

Nov 17, 2014

The state of North Dakota has named a new publicly owned landfill after President Barack Obama.

In an overwhelming 35-10 vote, the state Senate advanced a bill naming a 650-acre site currently under construction after the nation's 44th president. Governor Jack Dalrymple is expected to sign the measure into law Tuesday.

When completed, the Barack Obama Memorial Landfill will be the largest waste disposal site in North Dakota, and the 17th largest in the United States. It will be especially rich in toxic waste from the local petroleum and medical industries.

"We wanted to do something to honor the president," says Republican State Senator Doug Perlman, who was the lead sponsor of the bill. "And I think a pile of garbage is a fitting tribute to Obama's presidency.

"We originally planned on naming it after a nearby mountain. But then someone jokingly suggested we name it after Obama. I never thought an idea like that would actually pass. But I was pleasantly surprised."

The president is hardly popular in North Dakota. The most recent poll in December 2013 found that Obama has a 35% approval rating in the state, although that figure may have fallen further in the year since. Yet even considering the political climate, seasoned observers are surprised that two Democratic lawmakers voted for the bill's passage.

"I supported Obama because I thought he would end the wars in the Middle East," says Allison Mitchell, a progressive Democrat from Grand Forks. "But he decided to fight new wars abroad instead of fighting for single-payer health care and jobs here at home.

"I guess people expected me to oppose this landfill thing because I'm a Democrat. But honestly I don't really care anymore. Maybe this small act of protest will wake him up."

Ordinary citizens in the state also seem to approve of the government's choice.

**#1 Comment:** "I can't think of a better name," says Joe Blough, a plumber from Minot.

I couldn't agree with Joe more – Think this conceited man will ever understand – Oh, wait a minute – actually he doesn't care what people think of him – he will continue to wreck our Country and do things HIS way because he really doesn't care about OUR Country and/or US. All he cares about is himself and what he wants. Let us pray we will soon be able to run the Country as it should be WITHOUT Obama.

As the comments say: I tried to find better words, but they have already been said. "It's darkly colored and it's full of sh\*t. That pretty much sums up Obama."

## Mistakes at Pearl Harbor, Japanese Errors that Cost Japan the Pacific Prize.

By Bill Paige

*Very interesting little bit of history: Mistakes at Pearl Harbor, Japanese Errors that Cost Japan the Pacific Prize.*

Tour boats ferry people out to the USS Arizona Memorial in Hawaii every thirty minutes. We just missed a ferry and had to wait thirty minutes. I went into a small gift shop to kill time.

In the gift shop, I purchased a small book entitled: "Reflections on Pearl Harbor", by Admiral Chester Nimitz.

Sunday, December 7th, 1941--Admiral Chester Nimitz was attending a concert in Washington D.C. He was paged and told there was a phone call for him. When he answered the phone, it was President Franklin Delano Roosevelt on the phone. He told Admiral Nimitz that he (Nimitz) would now be the Commander of the Pacific Fleet.

Admiral Nimitz flew to Hawaii to assume command of the Pacific Fleet. He landed at Pearl Harbor on Christmas Eve, 1941. There was such a spirit of despair, dejection and defeat--you would have thought the Japanese had already won the war.

On Christmas Day, 1941, Adm. Nimitz was given a boat tour of the destruction wrought on Pearl Harbor by the Japanese. Big sunken battleships and navy vessels cluttered the waters every where you looked.

As the tour boat returned to dock, the young helmsman of the boat asked, "Well Admiral, what do you think after seeing all this destruction?" Admiral Nimitz's reply shocked everyone within the sound of his voice.

Admiral Nimitz said, "The Japanese made three of the biggest mistakes an attack force could ever make, or God was taking care of America. Which do you think it was?"

Shocked and surprised, the young helmsman asked, "What do you mean by saying the Japanese made the three biggest mistakes an attack force ever made?"

Nimitz explained: Mistake number one: The Japanese attacked on Sunday morning. Nine out of every ten crewmen of those ships were ashore on leave.

If those same ships had been lured to sea and been sunk -- we would have lost 38,000 men instead of 3,800.

Mistake number two: When the Japanese saw all those battleships lined in a row, they got so carried away sinking those battleships, they never once bombed our dry docks opposite those ships. If they had destroyed our dry docks, we would have had to tow every one of those ships to America to be repaired.

As it is now, the ships are in shallow water and can be raised. One tug can pull them over to the dry docks, and we can have them repaired and at sea by the time we could have towed them to America. And I already have crews ashore anxious to man those ships.

Mistake number three: Every drop of fuel in the Pacific theater of war is in top-of-the-ground storage tanks five miles away over that hill. One attack plane could have strafed those tanks and destroyed our fuel supply. That's why I say the Japanese made three of the biggest mistakes an attack force could make or...

God was taking care of America.

I've never forgotten what I read in that little book. It is still an inspiration as I reflect upon it. In jest, I might suggest that because Admiral Nimitz was a Texan, born and raised in Fredricksburg, Texas -- he was a born optimist. But any way you look at it, Admiral Nimitz was able to see a silver lining in a situation and circumstance where everyone else saw only despair and defeatism.

President Roosevelt had chosen the right man for the right job. We desperately needed a leader that could see silver linings in the midst of the clouds of dejection, despair and defeat.

There is a reason that our national motto is, IN GOD WE TRUST. Why have we forgotten?

Even if it has taken a long time for us to be aware of GOD's help in this happening -- GOD was there for us!!!

Dear Friend,

**Monarchial. Dictatorial. Unconstitutional.**

These are the proper words to describe President Obama's announcement last night pardoning up to 5 million illegal immigrants. Clearly, the President doesn't have the authority to rewrite laws he doesn't like.

On more than 20 occasions, President Obama said he could not take the actions he took last night. He even said to do so would be "illegal." As a supposed Constitutional law professor, he should and does know better.

Obama has been in Washington for 10 years. So, let's review his history on immigration.

In 2005 and 2006, then-Senator Obama was apparently too busy opining about the 'lawlessness' of the Bush Administration to do anything on immigration. In 2007 and 2008, he was too busy running for President to work on getting it done.

Then as the President in 2009 and 2010, he had Nancy Pelosi in control of the House and Harry Reid in control of the Senate - but he chose to do NOTHING.

And for the last four years, he again was called upon to work with a bipartisan Congress but offered no compromises or negotiation or leadership. Instead, he issued a disastrous executive order that created a massive humanitarian crisis on our southern border this summer.

So why did he do it -- announce executive amnesty last night? **Radicals don't ever quit.** He is testing Republicans and the American people. The same American people who defeated his policies at the ballot box just 17 days ago.

It seems like the President agrees with his key ObamaCare advisor, Mr. Gruber. But, ***I know the American people are not stupid.*** They will see right through this monarchical move that is woefully incompatible with our Republican ideals. This executive amnesty demonstrates clearly that the President despises the very people he claims to represent - and the Constitution he swore to uphold.

It is clear that at the heart of this decision is the President's desperate attempt to create a political legacy -- giving the

Democrats 5 million new voters for future elections. We cannot let this happen.

Rest assured, I will do everything I can to obstruct this clearly illegal action. Congress has the responsibility - not to mention the right - to defund this President's illegal actions. And we should not be scared of the President's threats to shut down the government.

The Constitution, the rule of law, and the integrity of future elections depend on our will to fight.

Congressman Tim Huelskamp

Dear Friend,

How's this for a novel concept in Washington -- just do what you promised to do.

Every single Republican running for Congress this year promised to oppose Obama's lawless action.

And every Member of Congress took an oath to support and defend the Constitution when they were sworn into Congress -- **every single one of them.**

So why is Congress poised to do nothing in face of Obama's clearly illegal attempt to rewrite America's immigration laws and grant executive amnesty to millions of foreigners illegally on our country?

Next week, Congress will vote on the budget for the remainder of the fiscal year. It is an opportunity to take funding away from the President's illegal executive amnesty plans by prohibiting it in the spending bill. But at I write this, there is still no commitment from Republican leadership to stop him.

In our Constitution, the Founding Fathers gave Congress the Power of the Purse and the power to write laws.

President Obama has chosen to ignore the Congressional authority to write the laws and instead is acting as a king or emperor by imposing executive amnesty in America - **despite the fact that 22 different times Obama said it would be illegal for him to do so.**

Congress is duty bound to use the Power of the Purse to stop his executive amnesty plan. We have a legal, a moral and a constitutional obligation to act.

The question is: will Republicans do what they promised the American people in the historic elections in November and have the courage to stand up to President Obama?

And it is clear that we must stop it now. Just yesterday, news broke that Obama's Department of Homeland Security is already leasing office space and hiring 1,000 new federal employees to process applications for up to 5 million immigrants who want to jump to the front of the line.

It is not just amnesty that is at stake. The final spending plan is also likely to contain funding for ObamaCare, handouts for Planned Parenthood, and dollars for Obama's global warming agenda. Rumors surrounding the secret back room negotiations are that the budget will do little, if anything, to tie the hands of an EPA that wants to control every aspect of our lives and ruin our economy.

Unfortunately, Congress has too many politicians who are perfectly comfortable saying one thing at home and doing another thing in Washington. They would prefer to accept a bad back room deal than to take a tough vote.

And who pays for these bad deals? You do.

All you expect from your elected representatives is for them to do what they said they would do -- stand up to President Obama, Harry Reid and Nancy Pelosi. **It is not too much to ask.**

That is why I am continuing to fight for you in Washington. [Please consider making a contribution of \\$250, \\$100, \\$50 or \\$25 today to help me stand up to establishment forces in Congress.](#)

Yours in Liberty,

Congressman Tim Huelskamp

## **Rush Limbaugh: The President Taking Sides to Divide the Country Is “Reprehensible”**

by Sara Noble • December 7, 2014

Rush Limbaugh made a rare TV appearance on Fox News Sunday today in which he said that it’s “reprehensible” for Barack Obama to take sides in the Brown and Garner cases knowing it’s dividing the country – “tearing it apart”.

Chris Wallace interviewed Rush about Michael Brown, Eric Garner, illegal immigration and a number of other issues. As always, Rush was controversial – refreshingly so.

President Harry Truman was known as “Give ‘em Hell Harry.” The title comes from an incident that took place during the 1948 Presidential election campaign. In Bremerton, Washington, Truman delivered a speech attacking the Republicans. During the speech a supporter yelled out “Give ‘em Hell, Harry!”. Truman replied, “I don’t give them Hell. I just tell the truth about them and they think it’s Hell.” Subsequently, “Give ‘em Hell, Harry!” became a lifetime slogan for Truman supporters.

Rush could easily be known as “Give ‘em Hell Rush” and for much the same reasons.

Rush said these protests/riots are “tearing the country” apart and “it’s not based on real-world grievances”, “it’s made up”. In response to Obama’s and de Blasio’s reactions to the Michael Brown and Eric Garner incidents, he said it’s “absurd” to say race relations are no better. It’s “not perfect” but there is “no acknowledgment of progress.”

For the president to talk about things that did not happen... hands up, don’t shoot didn’t happen... truth is relative to these people and they are redefining the truth to further their agenda... The president taking sides in this in a way that further divides the country is “reprehensible,” Rush said.

Chris Wallace asked Rush about his comparison of Eric Holder’s behavior to Hamas. Rush said it is Eric Holder who is calling the NYPD an “occupying force.”

They talked about Rush’s criticism of Fox over their treatment of a possible government shutdown. Rush said it is not a government shutdown – it’s a trick, a diversion. He explained why it won’t affect their chances to win in 2016. Rush believes the Republicans in Congress aren’t fighting Obama’s illegal amnesty because they agree with it.

In the lightning round, he was asked how worried Republicans should be about Hillary Clinton. He said, not very. “Hillary Clinton can’t sell a book, can’t fill an auditorium, the hype is finally over.”

He still thinks Obama is a man-child and everything he [Rush] said has been validated and everything Obama does is on purpose. Everything Obama wanted to do is getting done because there is no one to stop him.

He was asked about his criticism of Jeb Bush and he said it is based in part on Bush running against a faction of his own party.

Using the deaths of Michael Brown and Eric Garner as an excuse, the president is doing exactly what he has clearly wanted to do from the beginning – he’s nationalizing the police. He’s been nationalizing all pillars of our society.

As Rush said, he’s inventing the narrative to further his agenda.

In an appearance on BET, he said that racism is “deeply rooted” in our society and we just have to “keep steady.” Pardon my language, but the man is a jackass. He’s inciting more riots. That’s what Marxist revolutionaries do.

Remember, when Barack was three years into his term, he said he was one of the best presidents?

He suggested he was the best President with the possible exceptions of Johnson, FDR and Lincoln. That would be “possible exceptions” of course.

That means he is better than Washington, Adams, Jefferson, Madison, TR, Truman, Reagan, and oh, I could go on, but since he’s the best, there is no need.

The narcissist-in-chief made the comment in the overtime segment of 60 Minutes which was never aired.

“The issue here is not gonna be a list of accomplishments. As you said yourself, Steve, you know, I would put our legislative and foreign policy accomplishments in our first two years against any president – with the possible exceptions of Johnson, F.D.R., and Lincoln – just in terms of what we’ve gotten done in modern history. But, you know, but when it comes to the economy, we’ve got a lot more work to do. And we’re gonna keep on at it,”

I guess 60 Minutes didn’t air it because they wanted to maintain some semblance of credibility.

Everything Obama does is on purpose. Everything Obama wanted to do is getting done because there is no one to stop him.

*To Be Continued...*

Biden was anointed to lead the Gun Control Task Force. Biden says: We need more gun laws because we don't have time or manpower to enforce the ones we have... Think about THAT for a minute. Hey, that makes as much sense as most of what Obama and/or Biden says. Throw in many others.

Al Sharpton was in Sears. He was there to protest the fact that most all of the washing machines were white.

So the clerk called the store manager, who asked, "What's the problem here, Reverend?"

Sharpton pointed at the machines and loudly bemoaned the fact that most of them were white.

The manager replied, "Well, Reverend, it's true that most of the washing machines are white, but if you'll open the lids, you'll see that all the agitators are black."

Don't you just love the fun he gives us? Let's show his "people" their true value and when "his people" show him the road we can all celebrate!!
