**Subject: TO THE NFL COMMISSIONER**

Commissioner,

I've been a season pass holder at Yankee Stadium, Yale Bowl and Giants Stadium.

I missed the '90-'91 season because I was with a battalion of Marines in Desert Storm. 14 of my wonderful Marines returned home with the American Flag draped across their lifeless bodies. My last conversation with one of them, Sgt Garrett Mongrella, was about how our Giants were going to the Super Bowl. He never got to see it.

Many friends, Marines, and Special Forces Soldiers who worked with or for me through the years returned home with the

American Flag draped over their coffins.

Now I watch multi-millionaire athletes who never did anything in their lives but play a game, disrespect what brave Americans fought and died for. They are essentially spitting in the faces and on the graves of real men, men who have actually done something for this country beside playing with a ball and believing they're something special! They're not! My Marines and Soldiers were!

You are complicit in this!

You fine players for large and small infractions but you lack the moral courage and respect for our nation and the fallen to put an immediate stop to this. Yes, I know, it's their 1st Amendment right to behave in such a despicable manner. What would happen if they came out and disrespected you or the refs publicly?

I observed a player getting a personal foul for twerking in the end zone after scoring. I guess that's much worse than disrespecting the flag and our National Anthem. Hmmmmm, isn't it his 1st Amendment right to express himself like an idiot in the end zone?

Why is taunting not allowed yet taunting America is OK? You fine players for wearing 9-11 commemorative shoes yet you allow scum on the sidelines to sit, kneel or pump their pathetic fist in the air. They are so deprived with their multi-million dollar contracts for playing a freaking game! You condone it all by your refusal to act. You're just as bad and disgusting as they are. I hope Americans boycott any sponsor who supports that rabble you call the NFL. I hope they turn off the TV when any team that allowed this disrespect to occur, without consequence, on the sidelines. I applaud those who have not.

Legends and heroes do NOT wear shoulder pads. They wear body armor and carry rifles. They make minimum wage and spend months and years away from their families. They don't do it for an hour on Sunday. They do it 24/7 often with lead, not footballs, coming in their direction. They watch their brothers carted off in pieces, not on a gurney to get their knee iced. They don't even have ice! Many don't have legs or arms.

Some wear blue and risk their lives daily on the streets of America. They wear fire helmets and go upstairs into the fire rather than down to safety. On 9-11, hundreds vanished. They are the heroes.

I hope that your high paid protesting pretty boys and you look in that mirror when you shave tomorrow and see what you really are, legends in your own minds. You need to hit the road and take those worms with you!

Time to change the channel.

**Read this carefully and think about it long and hard. If you want our Country to go back to what it used to be GET OFF YOUR DUFF AND GO VOTE!!! Then PRAY and PRAY and PRAY!! GOD must be with us before we can be successful in returning the USA to the greatness it once had & better.**

There are six scary little words for all voters who backed losing candidates in the Republican primaries and who are threatening to sit out the November election because they don't like Donald Trump. Those six words: Supreme Court Justice Barack Hussein Obama.

The choice in November is clear - it will be either Donald Trump or Hillary Clinton! A non-vote is the same as a vote for Hillary Clinton. If Hillary Clinton, arguably the most dishonest and corrupt person ever to run for President of the United States, wins, there is no doubt that as President Hillary Clinton will name President Obama to the Supreme Court for several very good reasons: he has covered her backside, no easy task that in itself, in the email server scandals and now wants payback.

He claims credentials as a Constitutional lawyer; he is buying a mansion in Washington D.C. and has made no secret of his desire to stay in the capitol; and he could complete his "fundamental transformation" of our Republic during a lifetime on the Supreme Court. If that's not enough to scare everyone into voting, I don't know what will.

Even if you dislike The Donald, grit your teeth and vote for him; the alternative is simply too devastating and unimaginable! ***Don't take the chance – go vote for Donald and PRAY!!!***

---

*Hillary Clinton is being billed as the "most experienced" candidate running for President. But, most experienced in what? Lying? Check. Committing crimes? Check. Causing Americans to die unnecessarily? Check again.*

*Think again, Hillary Clinton is definitely very experienced, in all the wrong things.*

*But Hillary doesn't seem to want to talk about the things she's actually experienced in. She tries to laugh off her email server scandal. She of course will never discuss the dozens of mysterious deaths associated with her and her husband, and when asked about the four Americans who were killed in Benghazi, Hillary asks "What*

*difference does it make?" For a woman who likes to talk so much, she has very little to say about one of the biggest issues voters are concerned about in regards to her "experience". Her greatest experience is giving classified info to the whole world!! It is what she does best!!*

Dear Friend,

The U.S. Chamber and three other billionaire-funded Super PACs spent more than \$2 million to defeat me, so I would no longer speak out against their big government, massive spending agenda.

This week the U.S. Chamber of Commerce endorsed another big spending liberal for Congress. Democrat Scott Peters in California voted against repealing ObamaCare. Peters voted against the Keystone pipeline. Peters voted with the labor unions. And Peters voted against repealing the Death Tax.

**And who is liberal Scott Peters running against?** A conservative, pro-life, Republican woman who also happens to be a minority.

It is just another example of how the **Establishment in Washington hates conservatives**. Just a few weeks ago, these same DC Insiders spent heavily to defeat another conservative woman in Florida. In fact, they spent tens of millions across American this year to defeat conservative candidates — money that could have been spent to help young, exciting conservatives like Denise Gitsham defeat liberal Scott Peters.

Worse really, it is another example of what deep pocketed Special Interests like the U.S. Chamber will do to **protect the status quo** where Washington gets richer and average Americans pay for it.

How confident am I that the Chamber wants to keep pushing for bigger government

The Chamber's top political staffer told me he would prefer working with Hillary Clinton in the White House next year. That's right, the Chamber is more interested in working with Hillary Clinton than in working with conservatives like me.

The U.S. Chamber of Commerce really should be called the **Washington Chamber of Insiders**.

Friends, I will **keep fighting back** against the Washington Chamber's reckless liberal agenda in Congress. And I will **never stop working** to expose those who want Washington to get bigger on the backs of average Americans.

Yours in Liberty,  
Tim Huelskamp

**Thank GOD for people like Tim Huelskamp!! Kansas won't be the same without him working for us!!**

### **What I See Happening In a Trump Presidency**

By Bill Bennett

They will kill him before they let him be president. It could be a Republican or a Democrat that instigates the shutting up of Trump.

Don't be surprised if Trump has an accident. Some people are getting very nervous: Barack Obama, Valerie Jarrett, Eric Holder, Hillary Clinton and Jon Corzine, to name just a few.

It's about the unholy dynamics between big government, big business, and big media. They all benefit by the billions of dollars from this partnership, and it's in all of their interests to protect one another. It's one for all and all for one. It's a heck of a filthy relationship that makes everyone filthy rich, everyone except the American people. We get ripped off. We're the patsies. But for once, the powerful socialist cabal and the corrupt crony capitalists are scared. The over-the-top reaction to Trump by politicians of both parties, the media, and the biggest corporations of America has been so swift and insanely angry that it suggests they are all threatened and frightened.

Donald Trump can self-fund. No matter how much they say to the contrary, the media, business, and political elites understand that Trump is no joke. He could actually win and upset their nice cozy apple cart.

It's no coincidence that everyone has gotten together to destroy The Donald. It's because most of the

other politicians are part of a good ol' boys club. They talk big, but they won't change a thing. They are all beholden to big-money donors. They are all owned by lobbyists, unions, lawyers, gigantic environmental organizations, and multinational corporations – like Big Pharmacy or Big Oil. Or they are owned lock, stock, and barrel by foreigners, like George Soros owns Obama or foreign governments own Hillary and their Clinton Foundation donations.

These run-of-the-mill establishment politicians are all puppets owned by big money. But there's one man who isn't beholden to anyone. There's one man who doesn't need foreigners, or foreign governments, or George Soros, or the United Auto Workers, or the teacher's union, or the Service Employees International Union, or the Bar Association to fund his campaign.

Billionaire tycoon and maverick Donald Trump doesn't need anyone's help. That means he doesn't care what the media says. He doesn't care what the corporate elites think. That makes him very dangerous to the entrenched interests. That makes Trump a huge threat to those people. Trump can ruin everything for the bribed politicians and their spoiled slave masters.

Don't you ever wonder why the GOP has never tried to impeach Obama? Don't you wonder why John Boehner and Mitch McConnell talk a big game, but never actually try to stop Obama? Don't you wonder why Congress holds the purse strings, yet has never tried to de-fund ObamaCare or Obama's clearly illegal executive action on amnesty for illegal aliens? Bizarre, right? It defies logic, right?

First, I'd guess many key Republicans are being bribed. Secondly, I believe many key Republicans are being blackmailed. Whether they are having affairs, or secretly gay, or stealing taxpayer money, the National Security Agency knows everything.

Ask former House Speaker Dennis Hastert about that. The government even knew he was withdrawing large sums of his own money from his own bank account. The NSA, the SEC, the IRS, and all the other three-letter government agencies are watching every Republican political leader. They surveil everything. Thirdly, many Republicans are petrified of being called racists, so they are scared to ever criticize Obama or call out his crimes, let alone demand his impeachment. Fourth, why rock the boat? After defeat or retirement, if you're a good old boy, you've got a \$5 million-per-year lobbying job waiting. The big-money interests have the system gamed. Win or lose, they win.

But Trump doesn't play by any of these rules. Trump breaks up this nice, cozy relationship between big government, big media, and big business. All the rules are out the window if Trump wins the Presidency. The other politicians will protect Obama and his aides but not Trump. Remember: Trump is the guy who publicly questioned Obama's birth certificate. He questioned Obama's college records and how a mediocre student got into an Ivy League university. Now, he's doing something no Republican has the chutzpah to do. He's questioning our relationship with Mexico; he's questioning why the border is wide open; he's questioning why no wall has been built across the border; he's questioning if allowing millions of illegal aliens into America is in our best interests; he's questioning why so many illegal aliens commit violent crimes, yet are not deported; and he's questioning why our trade deals with Mexico, Russia and China are so bad.

Trump has the audacity to ask out loud why American workers always get the short end of the stick. Good question! I'm certain Trump will question what happened to the almost billion dollars given in a rigged no-bid contract to college friends of Michelle Obama at foreign companies to build the defective ObamaCare website. By the way, that tab is now up to \$5 billion. Trump will ask if ObamaCare's architects can be charged with fraud for selling it by lying. Trump will investigate Obama's widespread IRS conspiracy, not to mention Obama's college records. Trump will prosecute Clinton and Obama for fraud committed to cover up Benghazi before the election. How about the fraud committed by employees of

the Labor Department when they made up dramatic job numbers in the last jobs report before the 2012 election?

Obama, the multinational corporations and the media need to stop Trump. They recognize this could get out of control. If left unchecked, telling the raw truth and asking questions everyone else is afraid to ask, Trump could wake a sleeping giant. Trump's election would be a nightmare. Obama has committed many crimes. No one else but Trump would dare to prosecute. He will not hesitate. Once Trump gets in and gets a look at the cooked books and Obama's records, the game is over. The goose is cooked. Holder could wind up in prison. Jarrett could wind up in prison. Obama bundler Corzine could wind up in prison for losing \$1.5 billion of customer money. Hillary Clinton could wind up in jail for deleting 32,000 emails or for accepting bribes from foreign governments while Secretary of State, or for misplacing \$6 billion as the head of the State Department, or for lying about Benghazi. The entire upper level management of the IRS could wind up in prison.

ObamaCare will be de-funded and dismantled. Obama himself could wind up ruined, his legacy in tatters. Trump will investigate. Trump will prosecute. Trump will go after everyone involved. That's why the dogs of hell have been unleashed on Donald Trump.

Yes, it's become open season on Donald Trump. The left and the right are determined to attack his policies, harm his businesses, and, if possible, even keep him out of the coming debates. But they can't silence him. And they sure can't intimidate him. The more they try, the more the public will realize that he's the one telling the truth.

### ***One Minister's view of Donald Trump***

"I've heard too many say lately that we, the American people have no choice in this November election!

Do you really think that God would leave us with no choice! Come on people! Where's your faith!! He has heard our cries! ***He has heard our Prayers!!! Keep the Faith – Don't give up NOW!!!***  
In defense of Donald Trump, try to keep this in mind...

- Donald Trump did **not** steal your money.
- Donald Trump did **not** raise your taxes.
- Donald Trump did **not** quadruple the price of food.
- Trump is **not** starting a race war.
- Trump did **not** leave any US soldiers in Benghazi to be slaughtered and desecrated by Muslims.
- Trump did **not** send the US Navy to fight for Syrian Al-Qaeda.
- Trump did **not** arm ISIS and systematically exterminate Christians throughout the Middle East.
- Trump did **not** betray Israel.
- Trump did **not** provide financing and technology to Iran's nuclear weapons program.
- Trump did **not** give our military secrets to China.
- Trump did **not** remove our nuclear missile shield in Poland at the behest of Russia.
- Trump did **not** shrivel our military, and betray our veterans. Trump did not cripple our economy.
- Trump did **not** increase our debt to 20 trillion dollars.
- Trump did **not** ruin our credit, twice.
- Trump did **not** double African American unemployment.
- Trump did **not** increase welfare to a record level for eight years.
- Trump did **not** sign a law making it legal to execute, and imprison Americans.

- Trump did **not** set free terrorists in Guantanamo bay.
- Trump did **not** steal your rights, violate US Constitutional law, or commit treason, hundreds of times.

Yet Trump is being ripped apart in the news, nonstop. Barack Hussein Obama, Hillary Clinton and the criminals occupying our government, are not. The media is a main part of the Democratic Party. The **Media** slants everything the way The Democrats want it!! The media does NOT report the news – they report what they are told to!!! **The media reports what the Democratic party wants reported and has NOTHING to do with TRUTH!**

October 15, 2016

Dear Friend,

As I have traveled the First District on my way to completing 400 town hall meetings, I can tell you that Kansans are growing more and more frustrated with Washington. And it is really no surprise.

Before leaving Washington to go home and campaign, GOP leaders bowed to Obama once again by passing a massive spending bill that continues ALL of Obama's current policies. Government spending is still unchecked. Obama's dangerous initiatives like importing more un-vetted Syrian refugees are fully funded. The EPA and other job-killing regulators are left unchecked. And Planned Parenthood even got a raise.

Meanwhile, the Democrats' nominee — **Hillary Clinton** — is getting away with mishandling classified information, which is **an offense that would send most federal employees to jail.** Obama's FBI simply let her off the hook in a brazen political move.

Hillary's campaign emails revealed a team that finds her **untruthful** and an **extreme bias** against Catholics and evangelicals for their religious beliefs. Is it any wonder Democrats are defending an IRS that targets conservative organizations and churches?

How dangerous is Hillary?

She wants to appoint the type of **Supreme Court justices who would re-write the Constitution** based on their life experiences and interpret the law based on, in her words, "the way the world really works." She would **double down on ObamaCare** to move our country toward a costly and ineffective single payer system. And she would **dramatically raise taxes**, taking money out of our struggling economy to expand their massive federal government.

The stakes could not be any higher for America right now. We must keep up the fight.

Yours in Liberty,  
Tim Huelskamp

**TWO FOR ONE: Vote for Hillary and get Tim Kaine too!**

**Worse yet, he is in line to be President if something happens to Hillary! Amazing she could select this guy as her VP... isn't it? ? ? NOT REALLY!!!**

This man is a bad, bad, bad guy masquerading as a "Catholic." Breitbart has reported that Clinton's V.P. pick Tim Kaine is among the top anti-Israel Senators. He is the top recipient of PAC funds from George Soros's anti-Israel group, J Street. He distinguished himself as one of eight senators to walk out on Benjamin Netanyahu's historic speech to a joint session of Congress warning against the Iran nuclear deal. Kaine's record on the Islamic threat here in America is far, far worse than that.

In exchange for campaign contributions, he appointed a radical jihadi to the Virginia Immigration Commission. Esam Omeish runs a group described by federal prosecutors in a 2008 court filing "as the overt arm of the Muslim Brotherhood in America." Omeish is the V.P. of a radical mosque that had the al-Qaeda operative Anwar Al-Awlaki

as its imam, and two of the 9/11 hijackers plus Nidal Hasan, the perpetrator of the Fort Hood shooting, in the congregation. Omeish is still a board member, even as he serves on the Virginia Immigration Commission. Omeish was also chairman of the board of a New Jersey mosque with terrorist ties, including an imam whom the Department of Homeland Security wants to deport for having links to Hamas. As if that weren't enough, Omeish pledged in a video to help Palestinians who understand that "the jihad way is the way to liberate your land."

> This one is TRUE! Bonner has verified it on his FACEBOOK page.

Eric Bonner, a military K9 handler, posted the following on his Facebook page. His comments have gone viral. His military working dog, "Suli," sniffs for bombs.

"I'm not voting for Clinton. It has nothing to do with her views. It really doesn't even matter about all the laws she broke. It's because she actually talked to me once! Almost a sentence.

Being a K9 handler in the military, I got to do a few details involving distinguished visitors... mostly Generals, DOD officials and Secretaries of Defense. I was lucky enough to pull two awesome details... Presidents George W. Bush and Obama.

GWB looked at me and smiled, then he said, "Man, who would piss you off?" Then he high-fived me and continued on. I was climbing down from a catwalk I had stood on for 4 hours with nothing but dust and a radio to keep me company. The radio died early on. It was pretty sweet.

Barack Obama, as he was walking out to his plane in Turkey, said to me, "What the hell kind of dog is that?" in reference to Suli. *The kind that keeps YOU safe --*

One of my last details was for Hillary Clinton when she was Secretary of State. She was in Turkey for whatever reason. I helped with bomb sweeps of her DV Quarters and staff vehicles. Her only words to me were, "Get that f---ing dog away from me!"

Then she turned to her security detail and berated them up and down about why that dog was in her quarters. For the next 20 minutes while I sat there waiting to be released, she laid into them, slamming the door in their faces when she was done. The security detail lead guy walked over to apologize and released me. I apologized to him for getting him in trouble. His reply was, "Happens every day, brother!"

*This shows me that Hillary Clinton is not only rude, ignorant, nasty, hateful, and completely ungrateful, but the very worst type of person who has no respect for one of GOD's smartest creatures, who is protecting her. As one of the world's worst, she deserves whatever destiny she gets!! Please, GOD save us from Hillary Clinton and Tim Kaine!! Pray!!*

***FBI REVOLT BUILDING AGAINST COMEY FOR LETTING HILLARY OFF THE HOOK***

***By Pamela Geller***

Of course, going forward, it won't do any good if Clinton is in charge of prosecutors.

"It is safe to say the vast majority felt she should be prosecuted," a senior FBI official told Fox News in an exclusive story published Wednesday. "We were floored while listening to the FBI briefing because Comey laid it all out, and then said 'but we are doing nothing,' which made no sense to us."

"No trial level attorney agreed, no agent working the case agreed, with the decision not to prosecute — it was a top-down decision," the source told Fox.

Judge Andrew Napolitano, the senior judicial analyst for Fox News, said the source's frustration was matched by agents on the ground.

"It is well known that the FBI agents on the ground, the human beings who did the investigative work, had built an extremely strong case against Hillary Clinton and were furious when the case did not move forward," he said. "They

believe the decision not to prosecute came from The White House.”

The extraordinary complaints echo those of retired FBI agents in a New York Post column last week.

“The FBI has politicized itself, and its reputation will suffer for a long time,” Dennis Hughes, the FBI’s first chief of a computer investigations unit. “I hold Director Comey responsible.”

*Congress has now obtained letters detailing unprecedented immunity agreements and side deals with multiple witnesses in the case — including one in which Comey agreed to prevent his investigators from reviewing any emails from Clinton chief of staff Cheryl Mills to Clinton’s server administrator Paul Combetta generated in late 2014 and early 2015. The off-limits correspondence, the chairmen point out, could reveal information “directing the destruction or concealment of federal records.”*

## ***COWBOYS AND MUSLIMS***

*Three strangers strike up a conversation in the airport lounge in Bozeman, Montana, awaiting their flights. On is an American Indian, passing thru from Lame Deer. Another is a cowboy on his way to Billings for a livestock show, and third is a fundamentalist Arab student from the Middle East, newly arrived at Montana State University.*

*Their discussion drifts to their diverse cultures. Soon, the two Westerners learn that the Arab is a devout, radical Muslim and the conversation falls into an uneasy lull. The cowboy leans back in his chair, crosses his boots on a magazine table and tips his big sweat-stained hat forward over his face. The wind outside is blowing tumbleweeds around and the old windsock is flapping, but still no plane comes.*

*Finally, the American Indian clears his throat and softly speaks. “At one time here, my people were many, but sadly, now we are few.”*

*The Muslim student raises an eyebrow and leans forward, “Once my people were few,” he sneers, “and now we are many. Why do you suppose that is?”*

*The Montana cowboy shifts his toothpick to one side of his mouth, and from the darkness beneath his Stetson says in a drawl, “That’s ‘cause we ain’t played Cowboys and Muslims yet, but I do believe it’s a-comin’.” **It is sad but all too true – I am afraid it will come to fighting here in our Country to make things right again. ## ***FACT-CHECK: CLINTON TOOK DONATIONS FROM FOREIGN GOVERNMENTS AS SECRETARY OF STATE*** by **JOEL B. POLLAK** 4 Oct 2016

During the vice presidential debate on Tuesday night, Indiana Governor Mike Pence said, “The Clinton Foundation accepted foreign contributions from foreign governments and foreign donors while she was Secretary [of State].” **Fact check: TRUE.**

Not only did foreign governments and foreign donors give to the Clinton’s family charity, but the majority of people outside of the government who met with Clinton while she was in office were Clinton Foundation donors, **according to** the Associated Press.

The ultimate proof of Pence’s claim? The Clinton Foundation has **grudgingly said** that it would no longer accept foreign contributions if she became president.

October 19, 2016

Dear Friend,

Tonight is the final debate of the 2016 presidential election. Those of you suffering from election fatigue may be breathing a sigh of relief that November 8th will be here soon.

The bizarre twists and turns of this campaign have often hidden the key question facing the American people: do we want to continue to give big government Elites in Washington more control of our lives while enriching the powerful and well-connected?

Let's take a look at Washington's recent record —

ObamaCare is a disaster. Premiums and co-pays skyrocket and coverage goes down. Yet liberals like Obama, Hillary, Pelosi and Reid are working to bail out big insurance companies now AND expand ObamaCare in the future.

The IRS wants to shut down our right to free speech. Yet politicians in Washington — including Republicans — are unwilling to hold even one administration official accountable.

**Planned Parenthood admits to illegally selling baby parts and a year later receives an increase in taxpayer funding with Establishment Republican support.**

The protectors of big businesses, the U.S. Chamber and K Street lobbyists, work with Democrats to block common-sense immigration reforms while Obama refuses to vet Syrian refugees.

Veterans are left to die, while VA big wigs receive huge bonuses. Our country is \$20 trillion in debt with a budget that is never, ever projected to balance. Our freedom to practice our religion is under attack by the courts. The FBI gives well-connected Hillary a pass on violating the law related to classified emails. The EPA creates regulations to needlessly drive up our electricity costs. Obama's bank regulators are forcing community banks in rural America to stop making much-needed housing loans.

And Republican Insiders do virtually nothing — except talk.

On issue after issue they refuse to use the Constitutional power of the purse, control out-of-control spending, to fight back against Washington. But on the campaign trail, these politicians continue to make promises they have already failed to keep.

Conservatives must continue to stand up and be counted. We must insist that the Elites in both parties stop looking out for themselves and start putting the American people first.

Yours in Liberty,

Tim Huelskamp

Are YOU ok with rewarding Planned Parenthood for illegally selling baby parts? That is exactly what happened – it was declared unlawful to SELL BABY PARTS, however, that did NOT stop them. Then 1 year later Planned Parenthood received an increase in funding from the TAXPAYERS with REPUBLICAN Support. Do the Republicans in Congressional positions honestly think that is OK??? The only way we can convince them that we DO NOT approve is to VOTE THEM OUT OF CONGRESS!!! Check how YOUR Congressman voted, let them know what YOU disapprove of and if nothing changes – get rid of them!!! Nothing GOOD has happened in the last election term. DO CHECK EACH ONES VOTING RECORDS. We must reward those who do as we ask as well as get rid of those who do not. The first thing to do is get rid of McConnell!!! We kept Rep. Huelskamp informed of what we wanted and he listened; NOW we MUST do the same with his replacement – whoever that is!! Personally, I will be voting for LaPolice, less of 2 evils. He is now saying the right things. Dr. Marshall sounds OK, but since he lied about Rep. Huelskamp and took millions of \$'s from Republican committees out of Washington, why would we believe him about anything else?? What I really want to do is write in TIM HUELSKAMP – and maybe I will!! But that would waste my vote and *we can't afford that. I will vote for LaPolice – I do NOT want Dr. Marshall to represent me – EVER!!! Dr. Marshall is a money grabbing, baby killing excuse of a man.*

---

I just received this from a friend – He pretty much nailed it!!

### **POINTS TO PONDER BEFORE ELECTION DAY:**

If you are Gay, why are you voting for Hillary? She wants to bring in hundreds of thousands of refugees that believe all Gays should be executed.

If you are Black, why are you voting for Hillary? She admires Margaret Sanger and defends Planned Parenthood. They want to abort as many black babies as possible. "Exterminate the Black Race because they are like weeds." Most of those clinics are in Black neighborhoods.

If you are a Christian, why are you voting for Hillary Clinton? She wrote her Senior Thesis on Saul Alinsky. He

dedicated his book "Rules for Radicals" to **Lucifer**, the Devil? She says he was and still is her mentor.

If you are a Veteran, in the military, or closely related to a military member, why are you voting for Hillary? She left those men to die in Benghazi and had the nerve to lie about it over and over again. They called for help but the help was told to stand down.

If you have factory job, why are you voting for Hillary? She supported TPP. Factory workers are being laid off because jobs are going overseas.

Don't forget the deals she made with China. She also welcomes open borders and for illegals to get benefits with YOUR tax money.

If you are a woman, how can you vote for Hillary? She has buried all of Bill's rape victims under the rug. Remember the little girl that was raped? She defended the rapist and laughed about it later.

If you carry a gun, and believe in the Constitution, how can you vote for Hillary? She wants to eliminate the NRA, take your guns, and abolish the second amendment.

If you breathe, why would you vote for Hillary? She has left a trail of dead people that did not agree with her or knew too much!

Just curious – give me just one reason you would vote for Hillary Clinton? Think about it!!

*Hi, this is just me talking about what I have been hearing and reading.*

*Why does it sound like there is NOT a chance Donald Trump will win this election? Because the media is being paid to write and say just that!! The Media in the USA is so corrupt it is unreal!! It is such a shame that Money Talks Louder than Truth and Honesty in the USA. They are being PAID to discourage anyone NOT on Hillary's side. Those of us that would like to return the USA to being an honest, life saving, life giving, proud country as we were 70 years or more ago are just out of step with reality. Blacks were promised so much by the Obama administration, but are much worse off now that 8 years ago – that is how the Democrats keep their promises. The thought that hard work and honesty can reap great benefits is not where Hillary or any other Democrat would take us.*

*The media are being PAID to report what Democrats WANT IT TO BE, NOT WHAT IT IS!! There are millions of honest, hardworking, true hearted USA citizens, of every race, that want our Country back to what it used to be – a great place to live – where the Government worked for the GOOD of the citizens' where we all were out to help the world and make it a better place. EVEN Fox News is NOT being as honest as they could be. They are stating the facts, then repeating what the other networks are reporting and NOT sticking with the TRUTH as it really is!!*

*Let's look at the rally's – The attendance at the TRUMP rallies are huge, in the thousands – then the troublemakers appear – start fights, call names, cause all kinds of trouble. Those troublemakers are people hired BY THE DEMOCRATS to be troublemakers. Then they report that the Trump rallies are lawbreakers, TROUBLEMAKERS, when the TRUTH is told THE TROUBLE MAKERS ARE PEOPLE HIRED BY THE DEMOCRATS TO DO JUST THAT ---MAKE TROUBLE. THEY ARE 20-30 PEOPLE PAID TO ATTEND TRUMP RALLIES AND BREAK THE LAW!! HIRED TO GIVE TRUMP PEOPLE A BAD NAME!!! There are 3 to 4 times as many people attending the Trump rallies as are attending Hillary rallies. Why isn't that reported?? Perhaps one sentence to that may be made on Fox News — THAT info is not pushed. Don't back off on your support for Donald Trump because of News Reports. As I type, CBS is reporting that Trump is struggling in Florida – which is not true!! Donald Trump is asking citizens to give him a Republican Congress, so Congress can get rid of ObamaCare and other poisonous programs. Congress tried to do that a year or so ago that failed because the Congressional leaders would NOT push to override the President's veto. We must vote Donald Trump into the Presidency and maintain the Republican Congress. No matter what you hear DO NOT LET ANYONE OR ANY THING STOP YOU FROM VOTING!!!! YOUR VOTE MATTERS – IT COUNTS!! LIVE UP TO YOUR AMERICAN PRIVILEGE/DUTY – VOTE!!!*

---

I also received the following from the same friend!! And again he has pretty much said it all!! Do we really have a choice? Not if we want to return the USA to the people and our LORD!! Pray and Vote!

The Media just doesn't get it... they can't believe that people are so angry that they can no longer be manipulated! Millions of trump supporters feel this way about Donald J. Trump... We don't care if the guy swears... or how many times he's been married... or who he voted for, or what his income tax return shows.

We want the problems fixed.

Yes, he's an egomaniac, but we don't care.

We know he's not a racist, or bad to women, or all the other things the liberal media is trying to label him with.

We know he's raised a good family, and that says a lot about him.

The country is a mess because politicians suck, the Republican Party is two faced & gutless, and illegals are everywhere and Muslims are openly trying to hurt this country and make the civilized world adjust to them.

We want it all fixed!

We don't care that Trump is crude, we don't care that he has changed positions, we don't care that he fights with Megan Kelly, Rosie O'Donnell, and so many of the elected establishment.

We don't care that Rubio, Ryan, the Bush's, and so many other top-tier old and new Republicans refuse to endorse him for their own selfish reasons, and we know what they are.

We don't care that he doesn't know the name of some Muslim terrorists, we don't care that he tried some businesses that didn't work out.

This country is weak, bankrupt. Our enemies are making fun of us. We are being invaded by illegals. We are becoming a nation of victims, where every Tom, Ricardo and Hasid is a special group with special rights, to a point where we don't even recognize the country we were born and raised in, *AND WE JUST WANT IT FIXED.*

And TRUMP is the only guy who seems to understand what the people want.

We're sick of politicians, sick of the Democratic *and* Republican Party.

We're angry about the Iran deal, the budget, treatment of Israel, military weakness, lobbyists, special interests, overpaid politicians with their self-serving bills and back room deals, trade deals, loss of jobs, manipulated economic numbers, businesses fleeing, and even the phony pay for play Clinton Foundation.

Americans are no longer going to be fooled, and the movement is out to change the direction we're taking.

Trump may not be a saint, but he doesn't have lobbyist money holding him, he doesn't have political correctness restraining him, and all you know is that he has been very successful, a good negotiator, he has built a lot of things, he's flexible, and he's also not a politician.

And he says he'll fix it. And we believe him because he is too much of an egotist to be proven wrong or looked at and called a liar.

Public service has become elected greed.

This may be our only chance to have a non-politician, despite his flaws, try and correct the mess, at least for 4 years.

We must take the shot, because the consequences of putting Hillary Clinton in office are frightening. There is a tidal wave happening, and it's going to overcome much of what's happened to this country.

---

I'm including this in this Newsletter to see what kind of opinions this might bring forth. I do want your opinions. Are we going to allow this to happen?? If you don't want this to continue – VOTE TRUMP!!! We can approach Trump when he is President to change this back.

SOME STATES (Maryland, Michigan & Arizona) ARE ALLOWING MUSLIM STUDENTS TO PRAY DURING SCHOOL HOURS. IF THEY ALLOW THAT, THEN WE SHOULD BRING BACK OUR FLAGS INTO THE CLASSROOMS AND ALLOW OTHERS TO PRAY TOO! TIME FOR CHRISTIANS TO SPEAK UP. DEMAND THEIR RIGHTS.

When we get 100,000,000, that's one hundred million, willing Christians to BOND together, voice their concerns and vote, we can take back America with God's help.

Become one of the One hundred million... Then let's get 200 million. It can be done, just by sending this email to your friends.

Do the math. It only takes a single willing heart and a fed up SOUL. God Bless America and Shine your light on Her!

In 1952 President Truman established one day a year as a "National Day of Prayer."

In 1988 President Reagan designated the first Thursday in May of each year as The National Day of Prayer.

In June 2007 (then) Presidential Candidate Barack Obama declared that the USA "Was no longer a Christian nation.

In May 2009 President Obama dismissed our 21st annual National Day of Prayer ceremony at the White House under the ruse of "not wanting to offend anyone"

Sept. 25, 2009, a Muslim Prayer Day was held on the west front of the U.S. Capitol Building, the site where U.S. Presidents have been inaugurated since 1981. There were over 50,000 Muslims in D.C. that day. President Obama dismissed our national day of prayer and now it is okay for an event at our capitol for Islamists?? I for one was offended.

But wait, it has not stopped even now!!!

February 17-19, 2015, a Muslim prayer was recited at the start of the second day of the White House summit on "Countering Violent Extremism," but no other religious text was presented during the portion of the event that was open to the press. Imam Sheikh Sa'ad Musse Roble, president of the World Peace Organization in Minneapolis MN, recited "a verse from the Quran" following remarks by Obama administration officials and Democratic members of Congress.

Now President Obama is encouraging schools to teach the Quran for extra credit, while at the same time, they cannot even talk about the Bible, God, pray, or salute the American Flag.

The direction this country is headed should strike fear in the heart of every Christian.

Send this to ten people, or even one hundred ten! To let them know that indeed, it was sent out to many more. This is a Christian Country --- NOT Muslim!!! It does not mean Muslims cannot be here at all. It just means the majority are Christian!! Christians should be able to pray in school – just as the Muslims do!!!

---

Just for a change of topic – An old topic that was never solved.

Here are the words from a Common Core Radio program that boast about the Education Establishments attempt to deceive the parents, teachers and citizens of this State with the implementation of Common Core. THIS IS TOTALLY UNACCEPTABLE BEHAVIOR FROM THOSE THAT SERVE THE CITIZENS OF KANSAS!

"Wizardry In Kansas: Leading the Way on Common Core"

"Kansas relabeled the Common Core Standards as part of their implementation strategy. Learn how the "Kansas Can" mindset is leading to success with the program across the state."

Here is the link: <http://www.bamradionetwork.com/common-core/3696-wizardry-in-kansas-leading-the-way-on-common-core>

Now Education Commissioner Randy Watson is doubling down on the deception with a Kansas Can Lying Tour where he lies to the citizens across the State by stating that, "We no longer have Common Core in Kansas." HE SHOULD BE REMOVED FROM HIS POSITION IMMEDIATELY AND ALL THOSE PERPETUATING AND BOASTING ABOUT THESE LIES SHOULD ALSO BE REMOVED!

THESE ARE ROLE MODELS FOR OUR CHILDREN AND SOME BEHIND THESE LIES ARE OR HAVE BEEN TEACHERS! IS THIS THE KIND OF ROLE MODELS YOU WANT EDUCATING THE CHILDREN OF THIS STATE?

TIME TO THROW COMMON CORE AND THE LIES AND DECEPTION USED TO IMPLEMENT IT OUT OF THE STATE OF KANSAS NOW!

**BE STILL AND KNOW THAT I AM GOD. Psalms 46:1**

Dear Beloved God in Heaven,

Please give us a president who loves this country and everything it stands for.

Please give us a president who respects you as the one true God. Please give us a president who will, with your help, restore this nation to its former glory, the way you created her. Please give us a president who will not destroy our churches.

Please help us to respect what you have given to us and not take anything for granted ever again. Please God, weaken the evil and strengthen the good, both within and without. May our eyes be opened.

In Jesus' name, Amen

As never before in the history of this country has this plea been so necessary.

This "prayer chain" is a request to pass the article on to friends/family... (at least one other person) so as to NOT break the chain. It will travel many, many miles around the country, maybe the world, depending on who sends it.

Please take time to do this and not break the chain on this important prayer.

After reading this prayer, be sure to THANK GOD for listening and trust in HIS WILL to be done.

*There has been so much talk about the lies President Obama has told that I decided to check out what I could find about "Lies by President's"; I found a list of 12 Presidents that have told lies to the American citizens. Counting Obama that makes 13. If you want I'll list them at another time!!*

---

*Food for thought --- JFK JR WAS THE FRONT RUNNER FOR THE NY SENATE SEAT IN 1999!! DAYS LATER HIS PLANE CRASHED, MAKING HILLARY CLINTON THE NEWLY ELECTED SENATOR!! An ACCIDENT? Hmm-mmm...*

---

*I received this from a Christian that is seeing things a bit different then many of us. I've been thinking about this for a day or two and have decided that each of you need to have the opportunity to give this some thought. It is my opinion that whoever wrote this is a very good Christian and as a Christian myself I want each of you to have the opportunity to read this and think about it. GOD Bless you!!*

**A MESSAGE FOR CHRISTIANS ABOUT DONALD TRUMP**

This may be the best and most honest political promotion statement you will ever read. It decidedly does not brush objections aside. You hate Hillary? READ it. You hate Trump? READ it. You think there's no choice? READ it. And, read it with your grown-up hat on.

We've all been dealt huge responsibility with this election. The first step toward accepting responsibility is accepting it, and the first step toward accepting it is recognizing it.

READ THIS. Read every single word. It'll take you about three minutes. Be sure to read to the end (take a few minutes and read all of it!)

Are you sickened and despondent with the current campaign and upcoming presidential election? I consider myself a conservative and do truly believe our country is at a political/economic/moral/ social crossroads. I need to let you know I could/would never vote for Hillary Clinton to lead this country. To me, she represents everything that is wrong with our current political structure. On the flip side, I look and listen to Donald Trump and I cringe at every rude, insulting comment he makes. If you find yourself in a similar state of mind, please read the following article:

A Message For Christians About Donald Trump — Here's a famous joke about God and how he talks to us. "A deeply faithful Christian man is stuck on roof at home with massive flooding up to the 2nd floor. Rowboat comes. He says, "No, I'm waiting for God. I prayed and I know he's coming." 2nd Rowboat. "No, I'm waiting for God." 3rd Rowboat. "No, I'm waiting for God." Water rises. The man drowns. Now he's meeting God in heaven. The religious man says, "Where were you God? I prayed. I was faithful. I asked you to save me. Why would you abandon me?" God says, "Hey, I sent you 3 rowboats!!"

Did you ever consider Trump is our rowboat? Maybe God is trying to tell us something important — that now is not the time for a "nice Christian guy" or a "gentleman" or a typical Republican powder puff. Maybe now is the time for a natural born killer, a ruthless fighter, a warrior. Because right about now we need a miracle, or America is finished. Maybe the rules of gentlemen don't apply here. Maybe a gentleman and "all-around nice Christian" would lead us to slaughter. Or do you want another Mitt [Romney](#), Bob Dole, John [McCain](#), Gerald Ford or Paul Ryan? Did any of them win? Did they lead the GOP to "the promised land?" Did they change the direction of America? No, because if you don't win, you have no say. Paul Ryan couldn't even deliver his own state, Wisconsin! And as leader of the House, Paul Ryan rolls over to [Obama](#) like my dog rolls over for a scrap of food, or a steak bone. Nice, but obedient. I mean Paul Ryan... not my dog. My dog is actually a pretty good defender and loyal.

Maybe God is knocking on your door loudly, but you're not listening. Maybe God understands we need a "war leader" at this moment in time. Maybe God understands if we don't win this election, America is dead. It's over. The greatest nation in world history will be gone. Finished. Kaput. Adios. And with one last breath, maybe what we need to save us at the last second, is someone different. Someone you haven't ever experienced before — because you weren't raised in rough and tumble New York where nothing good gets accomplished unless you're combative, aggressive, outrageous, on offense at all times, and maybe just a tad arrogant too. Someone with a personality you've never seen on stage at your church. Maybe, just maybe, being a nice gentlemanly Christian would not beat Hillary and her billion dollars, and her best friends in the media who will unleash the dogs of hell upon the GOP nominee. I guess you think God is only nice and gentlemanly. Really? Then you've missed the whole point of the Bible. When necessary, God is pretty tough. When necessary, God strikes with pain, death and destruction. When necessary, God inflicts vengeance.

Maybe you think God couldn't possibly be associated with someone like Trump. Trump is too vicious, rude and crude. When we won WWII, was God "nice?" Were we gentlemanly when defeating Hitler? Were we gentlemanly when firebombing Germany? Were we gentlemanly when dropping atomic bombs on Japan? Is God ever "nice" on the battlefield? Or does he send us vicious SOB's like General George S. Patton so the good guys can defeat evil?

It's pretty clear to me God sends unique people to be "war leaders." That's a different role than a pastor or church leader. God understands that.

And maybe it's time to re-define "nice." Maybe Mitt [Romney](#) and Paul Ryan aren't nice at all — because they led us to defeat. And losing again would mean the end of America. And God can't allow that. Maybe [Romney](#) and Ryan mean well, but the road to hell is paved with good intentions. Or maybe they're just jealous they had their chance and blew it. Maybe they'd rather help elect Hillary than allow a Trump victory that would make them look weak, feckless and incompetent.

*"Even the youths shall faint and be weary, And young men shall utterly fall, But those who wait on the Lord shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint."* ([Isiah](#) 40:30-31)

God is about miracles. We don't need a "nice guy" or a "gentleman" right now. It's the 4th quarter and we're losing 14-0. We need a miracle.

So let me repeat my message to Christians: "YOU'RE MISSING THE BOAT."

I believe Trump is our miracle. I believe Trump is our rowboat. Except he's more like a battleship!

No one is saying Trump is perfect. No one is saying Trump is a perfect conservative. But he is a patriot. He is a warrior. He is a capitalist. He is the right man, at the right time. Yes, he's a bit rude and crude and offensive. But

that may make him the perfect warrior to save America, American exceptionalism, capitalism and Judeo-Christian values. The choice should be easy for Christians.

It's Trump... or it's the end of the American dream.

If anything in this article strikes a positive chord with you, please pass it on.

*I'm with this – would I like someone better? YES! But there are not many around in the Republican Party – way too many are not really Republicans any more, we need a true Republican that will bring the USA back to the Constitution, so we take what we can get. Trump beats Hillary a thousand times over!! VOTE FOR DONALD TRUMP!! BY ALL MEANS VOTE!!!*

*Please give this some thought. Sometimes the LORD works in ways that are strange to us. When he speaks we MUST listen and do as we believe HE intends us to. No matter what – VOTE!!! GOD bless you all!! We have prayed and done as we thought right – now we must follow the LORD!! VOTE!!*

I received this from a friend and wanted all to know!!!

October 27, 2016

Dear John,

According to the FEC reports released this month, Washington insiders who supported Hillary Clinton spent more than \$2 million to defeat me August 2nd.

And how did the DC Establishment reward Roger Marshall? They showered him with a massive \$300,000 in special interest PAC contributions in the eight weeks following the election.

And it was not just Republicans who welcome Marshall to their club. Just yesterday a news report revealed that a close friend and ally of Obama even helped host a fundraiser for Marshall in Washington.

Yes, you read that right. A DC attorney with ties to Obama is already funneling campaign cash to Roger Marshall.

**And then what did Marshall tell a debate crowd in Hutchinson earlier this week? That he is ready to work with Hillary Clinton because God chooses the right people to lead this country.**

That matches up with what his allies at the U.S. Chamber of Commerce told me about Hillary Clinton. Rob Engstrom, their chief political operative and ultimate Washington Insider, told me they would prefer to work with Hillary Clinton as President over Donald Trump.

Why?

Because Hillary Clinton is a Washington Insider. She stands ready, willing and able to play the special interest games at the expense of the American people.

Make no mistake about it though: 30-year Washington Insider Hillary Clinton has put forward an agenda and stands in 100% opposition to our values. And Clinton has a 30-year record filled with scandal and massive failures, punctuated by the email cover-up and Benghazi tragedy.

Clinton wants to expand ObamaCare — eventually creating to a single payer health care system that puts government 100% in control of every health care decision.

Clinton wants unlimited amnesty, open borders, and to open the floodgates to ISIS terrorists posing as refugees.

Clinton wants to create a 'right' to a taxpayer funded abortion up until the moment of natural birth.

Clinton wants to raise taxes and refuses to cut one penny from out-of-control federal spending.

And Clinton wants the EPA to destroy our economy by adding massive costs to our energy bills.

Washington Insiders and their candidate Roger Marshall may welcome the Clinton agenda, but Kansans cannot afford it. And we should expect our elected leaders to fight back against it.

Yours in Liberty,  
Tim Huelskamp

*This answers some of the questions I had – BOTH of the remaining runners are in debt to the Washington committees. OK, now we know Marshall and LaPolice are BOTH bought and paid for – Let's write in **Tim Huelskamp!** Doubt if we regain Tim as our Representative, but at least we will have told Washington how we feel. We MUST figure out a way to make these committees illegal and do away with them. Got any suggestions?*

*No votes for the other two – WRITE IN TIM HUELSKAMP!!! YES!!*

---

*I received info that has given me nightmares ever since I read it!! It is on dismemberment abortion!! I don't believe abortion of any kind should happen. I shudder when I think of "Dismemberment Abortion". The*

*following is sickening. These are the words used to tell how a “Dismember Abortion” happens.*

1. The living baby’s body parts are grasped at random with forceps with sharp jaws.
2. The limbs are pulled from the baby’s body out through the birth canal. Piece by piece until the head is all that is left. The head is grasped and crushed in order to remove it from the womb.

*Can you even imagine the horrible pain this unborn child suffers during this procedure? How can anyone perform this procedure, let alone a Dr. who is trained to SAVE lives? I cringe as I write this. I don’t know if the Mothers are aware of how this procedure is happening. I do know she is allowing her baby to be destroyed. We must stop abortions!!! There are many families wanting children – regardless of their color, origin, or anything else. Please, with every opportunity that comes along, make every effort to stop it!! How can those in Congress declare to be Christians allow any abortion, let alone “dismemberment abortion”? Demand your Congressional and Legislative representatives to STOP this horror!!! GOD be with us!!*

President Barack Obama set a goal of resettling 10,000 Syrian refugees in the U.S., and by August that goal had already been exceeded. But of nearly 11,000 refugees admitted by mid-September, only 56 were Christian.

*Isn’t it amazing how few of the actual refugees our President brought into this Country were Christian? Syrian refugees were to be Christians forced from their homes and 56 of those refugees were actually Christians!! Wonder if our President will send those Christian refugees back to Syria.*

Greetings All --

Against the backdrop of all the ratings-driven push-polls widely reported by the DNC-MSM Syndicate, we’ve all learned long

ago not to trust those results at face value for a variety of reasons, not least because the overwhelming majority of those polls — even from FoxNews!! — over-sample for Democrat voters, anywhere from 5%-10% or even more.

This tactic obviously produces results that favor Democrats at every level, not just the Presidential race. We recognize that many on this e-mail chain are, well, reluctant Trump supporters, and even those who have backed him from the beginning have perfectly reasonable fears and concerns over "Down-Ballot" issues or candidates suffering due to the "negative halo" effect that can flow down to those lines on the ballot, perhaps even to the extent of losing the GOP majorities in the House or Senate, or even both.

What follows are some links to online information that we've already posted at our [FHTP](#) Facebook Page [[www.facebook.com/Flint.HillsT.E.A.party](http://www.facebook.com/Flint.HillsT.E.A.party)], but it seems like a Good Idea to post these out via e-mail, to reach the widest possible audience, especially when this message gets sent Fwd to your own friends, family, and e-mail lists!!

This first link reports on a poll conducted by [Arizona Freedom Alliance](#) of 1000 voters from all 50 states — that's **50 thousand voters** total — by far the largest such survey reported anywhere. Furthermore, the samples were strictly controlled for balance, 33% each for D's & R's, and 34% for independents, thus producing the widest, most-balanced voter survey so far... And the results are stunningly at odds with all the media-driven push-polls reported anywhere in the MSM!! Read for yourself at the link:

**National Poll: Trump Leading 67% To Hillary's 19% Of 50,000 Voters**

<https://makeamericagreattoday.com/national-poll-trump-leading-67-hillarys-19-50000-voters/>

The next link goes not to another voter-preference poll, but to a statistical study designed & conducted by SUNY-Stony Brook professor Helmut Norpoth using "... statistics from candidates' performances in party primaries and patterns in the electoral cycle to forecast results. The model correctly predicted the victor in every presidential election since 1996..."

Note that Professor Norpoth isn't predicting the margin of victory, but the statistical odds of Trump winning. Whether by 51%-49% or 65%-35%, a win is a win:

**SUNY professor says Trump win at least 87 percent certain; other polls 'bunk'**

Our third link -- which is actually a Two-Fer, with a **Don't-Miss** embedded link to the actual document from Benenson Strategy Group -- goes to a fascinating article at [DC Clothesline](#), detailing "... a report titled **Salvage Program** from the **Benenson Strategy Group**, the pollster and strategist for Hillary Clinton's 2016 presidential campaign. The report looks professional and credible. It's called **Salvage Program** because its goal is to "salvage" — to rescue, save, recover, restore — **Hillary's campaign, which is tanking...**"

**Hillary Clinton's pollster Benenson Strategy Group says she is tanking; Trump supporters unstoppable**

<http://www.dcclotline.com/2016/10/22/hillary-clintons-pollster-benenson-strategy-group-says-she-is-tanking-trump-supporters-unstoppable/>

And the proverbial cherry-on-top is this one, none other than MICHAEL MOORE, speaking to a crowd in Ohio, making an elegantly profane case **FOR** Donald J. Trump...

Yeah, I know, that sudden draft you're feeling is Hell freezing over!!

**Michael Moore on the case for a Trump presidency [WARNING: NOT SAFE FOR WORK — EFF-BOMBS ABOUND!!]**

<https://www.youtube.com/watch?v=etgOw1iSPFE>

None of this is to suggest that we expect a runaway landslide GOP victory. What these reports offer instead is perfectly reasonable grounds for very cautious optimism for conservatives and Republicans who have otherwise been left dreading elections returns on Nov 8th...

It is still vitaly important that we all continue our work to ensure Hillary Clinton's Final Retirement from Public Service!!

As we brace for the Big Push to Election Day, we all deserve a "breath of fresh air", so as to ease the burdens and put a new spring in our steps as we strive to be the Happy Warriors we need to be to encourage others to join the effort and GET OUT TO VOTE, ON OR BEFORE NOVEMBER 8th!!

It is being reported today that Donald Trump is actually ahead in some states. Surprise, Surprise!!! Are they really, or is it just being reported that way? First they report that The Donald doesn't have a chance — with the thought — **Why bother voting?** Trump doesn't have a chance. Now it is being reported that Trump is way ahead so **why bother voting?** Anything to try to get Trump supporters to NOT VOTE!! Please, Please, laugh at them all the way to the voting booth — **DO VOTE!!!**

Americans are realizing that they DO NOT WANT a liar, killer, law breaker, mentally ill, (I could go on and on) to be their President?

<http://www.wibw.com/content/news/Tim-Huelskamps-already-plotting-his-comeback-399053751.html>

**HUTCHINSON, Kan. (AP)** — U.S. Rep. Tim Huelskamp is eyeing the 2018 election in a move to possibly reclaim the Kansas congressional seat he lost in the Republican primary.

The Hutchinson News reports Huelskamp quietly filed his statement of candidacy with the Federal Election Commission on Oct. 17 for the sprawling 1st District of western and central Kansas.

The ultra-conservative Republican was defeated in August by physician Roger Marshall, a political newcomer backed by farming and business groups. Marshall faces independent Alan LaPolice in the general election.

Huelskamp's clashes with former Speaker John Boehner helped get him booted from the House Agriculture Committee, and the state's loss of that seat became a campaign issue during the GOP primary in the farming district.

Huelskamp is a member of the far-right Freedom Caucus.

**For those who don't know – Tim Huelskamp is the KS Congressional member that listened to the citizens, acknowledged what he heard, then returned to Washington, D.C. to make every effort possible to pass the laws his constituents ask him to. We NEED Huelskamp back in Washington. We have 2 long years to put up with Representatives that work for Washington, not KANSAS!! We must change Congress to all be like Tim Huelskamp**

***I RECEIVED THIS ON EMAIL. It's from Geert Wilders, a member of the Dutch Parliament:***

Dear friends,

Thank you very much for inviting me.

I come to America with a mission. All is not well in the old world. There is a tremendous danger looming, and it is very difficult to be optimistic. We might be in the final stages of the Islamization of Europe. This not only is a clear and present danger to the future of Europe itself, it is a threat to America and the sheer survival of the West. The United States as the last bastion of Western civilization, facing an Islamic Europe.

First, I will describe the situation on the ground in Europe... Then, I will say a few things about Islam. To close I will tell you about a meeting in Jerusalem.

The Europe you know is changing.

You have probably seen the landmarks. But in all of these cities, sometimes a few blocks away from your tourist destination, there is another world. It is the world of the parallel society created by Muslim mass-migration.

All throughout Europe a new reality is rising: entire Muslim neighborhoods where very few indigenous people reside or are even seen. And if they are, they might regret it. This goes for the police as well. It's the world of headscarves, where women walk around in figureless tents, with baby strollers and a group of children. Their husbands, or slaveholders if you prefer, walk three steps ahead. With mosques on many street corners. The shops have signs you and I cannot read. You will be hard-pressed to find any economic activity. These are Muslim ghettos controlled by religious fanatics. These are Muslim neighborhoods, and they are mushrooming in every city across Europe. These are the building-blocks for territorial control of increasingly larger portions of Europe, street by street, neighborhood by neighborhood, city by city.

There are now thousands of mosques throughout Europe. With larger congregations than there are in churches. And in every European city there are plans to build super-mosques that will dwarf every church in the region. Clearly, the signal is: we rule.

Many European cities are already one-quarter Muslim: just take Amsterdam, Marseille, and Malmo in Sweden... In many cities the majority of the under-18 population is Muslim. Paris is now surrounded by a ring of Muslim neighborhoods. Mohammed is the most popular name among boys in many cities.

In some elementary schools in Amsterdam, the farm can no longer be mentioned, because that would also mean mentioning the pig, and that would be an insult to Muslims.

Many state schools in Belgium and Denmark only serve halal food to all pupils. In once-tolerant Amsterdam, gays are beaten up almost exclusively by Muslims. Non-Muslim women routinely hear “Whore! Whore!” Satellite dishes are not pointed to local TV stations, but to stations in the country of origin.

In France, school teachers are advised to avoid authors deemed offensive to Muslims, including Voltaire and Diderot; the same is increasingly true of Darwin. The history of the Holocaust can no longer be taught because of Muslim sensitivity.

In England, Sharia courts are now officially part of the British legal system. Many neighborhoods in France are no-go areas for women without headscarves. Last week a man almost died after being beaten up by Muslims in Brussels, because

he was drinking during the Ramadan.

Jews are fleeing France in record numbers, on the run from the worst wave of anti-Semitism since World War II. French is now commonly spoken on the streets of Tel Aviv and Netanya, Israel... I could go on forever with stories like this. Stories about Islamization.

San Diego University recently calculated that a staggering 25 percent of the population in Europe will be Muslim just 12 years from now. Bernhard Lewis has predicted a Muslim majority by the end of this century.

Now these are just numbers. And the numbers would not be threatening if the Muslim-immigrants had a strong desire to assimilate. But there are few signs of that. The Pew Research Center reported that half of French Muslims see their loyalty to Islam as greater than their loyalty to France. One-third of French Muslims do not object to suicide attacks. The British Centre for Social Cohesion reported that one-third of British Muslim students are in favor of a worldwide caliphate. Muslims demand what they call 'respect'. And this is how we give them respect. We have Muslim official state holidays.

The Christian-Democratic attorney general is willing to accept Sharia in the Netherlands if there is a Muslim majority. We have cabinet members with passports from Morocco and Turkey.

Muslim demands are supported by unlawful behavior, ranging from petty crimes and random violence, for example, against ambulance workers and bus drivers, to small-scale riots. Paris has seen its uprising in the low-income suburbs, the banlieus. I call the perpetrators 'settlers', because that is what they are. They do not come to integrate into our societies; they come to integrate our society into their Dar-al-Islam. Therefore, they are settlers.

Much of this street violence I mentioned is directed exclusively against non-Muslims, forcing many native people to leave their neighborhoods, their cities, their countries. Moreover, Muslims are now a swing vote not to be ignored.

The second thing you need to know is the importance of Mohammed the prophet. His behavior is an example to all Muslims and cannot be criticized. Now, if Mohammed had been a man of peace, let us say like Ghandi and Mother Theresa wrapped in one, there would be no problem. But Mohammed was a warlord, a mass murderer, a pedophile, and had several marriages — at the same time. Islamic tradition tells us how he fought in battles, how he had his enemies murdered and even had prisoners of war executed. Mohammed himself slaughtered the Jewish tribe of Banu Qurayza. If it is good for Islam, it is good. If it is bad for Islam, it is bad.

Let no one fool you about Islam being a religion. Sure, it has a god, and a hereafter, and 72 virgins. But in its essence Islam is a political ideology. It is a system that lays down detailed rules for society and the life of every person. Islam wants to dictate every aspect of life. Islam means 'submission'. Islam is not compatible with freedom and democracy, because what it strives for is Sharia. If you want to compare Islam to anything, compare it to communism or national-socialism, these are all totalitarian ideologies.

Now you know why Winston Churchill called Islam 'the most retrograde force in the world', and why he compared Mein Kampf to the Quran. The public has wholeheartedly accepted the Palestinian narrative, and sees Israel as the aggressor. I have lived in this country and visited it dozens of times. I support Israel. First, because it is the Jewish homeland after two thousand years of exile, up to and including Auschwitz. Second because it is a democracy, and third because Israel is our first line of defense.

This tiny country is situated on the fault line of jihad, frustrating Islam's territorial advance. Israel is facing the front lines of Jihad, like Kashmir, Kosovo, the Philippines, Southern Thailand, Darfur in Sudan, Lebanon, and Aceh in Indonesia. Israel is simply in the way, the same way West Berlin was during the Cold War.

The war against Israel is not a war against Israel. It is a war against the West. It is Jihad. Israel is simply receiving the blows that are meant for all of us. If there would have been no Israel, Islamic imperialism would have found other venues to release its energy and its desire for conquest. Thanks to Israeli parents who send their children to the army and lay awake at night, parents in Europe and America can sleep well and dream, unaware of the dangers looming.

Many in Europe argue in favor of abandoning Israel in order to address the grievances of our Muslim minorities. But if Israel were, God forbid, to go down, it would not bring any solace to the West. It would not mean our Muslim minorities would all of a sudden change their behavior, and accept our values. On the contrary, the end of Israel would give enormous encouragement to the forces of Islam. They would, and rightly so, see the demise of Israel as proof that the West is weak, and doomed. The end of Israel would not mean the end of our problems with Islam, but only the beginning. It would mean the start of the final battle for world domination. If they can get Israel, they can get everything. So-called journalists volunteer to label any and all critics of Islamization as a 'right-wing extremists' or 'racists'. In my country, the Netherlands, 60 percent of the population now sees the mass immigration of Muslims as the number one policy mistake since World War II. And another 60 percent sees Islam as the biggest threat. Yet there is a greater danger than terrorist

attacks, the scenario of America as the last man standing. The lights may go out in Europe faster than you can imagine. An Islamic Europe means a Europe without freedom and democracy, an economic wasteland, an intellectual nightmare, and a loss of military might for America — as its allies will turn into enemies, enemies with atomic bombs. With an Islamic Europe, it would be up to America alone to preserve the heritage of Rome, Athens and Jerusalem.

Dear friends, liberty is the most precious of gifts. My generation never had to fight for this freedom, it was offered to us on a silver platter, by people who fought for it with their lives. All throughout Europe, American cemeteries remind us of the young boys who never made it home, and whose memory we cherish. My generation does not own this freedom; we are merely its custodians. We can only hand over this hard won liberty to Europe's children in the same state in which it was offered to us. We cannot strike a deal with mullahs and imams. Future generations would never forgive us. We cannot squander our liberties. We simply do not have the right to do so.

We have to take the necessary action now to stop this Islamic stupidity from destroying the free world that we know.

Please take the time to read and understand what is written here. Please send it to every free person that you know, it is so very important.

## How the FBI Caught a Radical Islamist Spy in Hillary's Office BY LIBERTY ALLIANCE ON OCT. 31, 2016

The FBI announcement they have re-opened the Hillary Clinton email investigation since having chanced into Huma Abedin's laptop as a result of their investigation of her husband, former Representative Anthony Weiner's, juvenile pornography activities on the Internet.

Huma Abedin, a Pakistani-American Muslim whose family has deep ties to Saudi Arabia, Pakistan and the radical Muslim Brotherhood, was granted Top Secret security clearance for the first time in 2009, when Clinton named her deputy chief of staff for operations. Abedin said she "did not remember" being read into any Special Access Programs (SAPs) or compartments. Apparently, Hillary's dementia is catching.

If Hillary become President she will appoint Abedin her Chief of Staff and she would run White House operations including security in a position that does not require Senate confirmation. Huma now serves as Vice Chair of Hillary's Presidential campaign. Huma has a reputation as an aggressive operative who has overridden security and diplomatic protocols.

In her April 2016 interview with the FBI, Abedin contended she "did not know Hillary had a private server until about a year and a half ago, when it became public knowledge." The "clintonemail.com" server was set up in the basement of the Chappaqua residence and it included emails from Huma!

Another witness told agents he and another Clinton aide with IT training built the server system "at the recommendation of Huma Abedin," who first suggested an off-the-grid email server as early as the "fall of 2008." And, the FBI noted "the only person at the Department of State to receive an email account on "clintonemail.com" was HumaAbedin!

Thus Huma Abedin, whose email account as "huma@clintonemail.com," was the only State Department aide whose emails were hosted by the private Clinton server she claimed she didn't know existed until she heard about it in the news and claimed she "did not recall" the email exchanges. Making false statements to a federal agent is a felony. A lot of Clinton has rubbed off on Huma. **Should Hillary Clinton be disqualified from being President? Tell us your opinion!!!**

## Joint Chiefs General: Will This Election Lead to an Insurrection? Brother Bob October 31, 2016

"Thank you for joining me in honoring our history, our traditions, and the institutions of the U.S. Armed Forces by upholding the principle of political neutrality." (Bold mine)

With these words General Joseph Dunford, Chairman of the Joint Chiefs of Staff (principal military advisor to the President of the United States) entered an unprecedented pre-election blog posted on October 24, 2016.

His thanks may be premature. Here are the words he opened with:

"...as our country again prepares for a peaceful transfer of power to a new administration..."

What's going on here? Why is the Chairman of the Joint Chiefs talking about a peaceful transfer of power? When in the last 150 years have we not had a peaceful transfer of power? Does he think there might not be a peaceful transfer of power?

Maybe the General is worried that our military will not tolerate an election stolen by Hillary Clinton. Or the people will not tolerate it. Here are some additional excerpts from his post. He reminds our forces:

"Every service member swears *"to support and defend the Constitution of the United States"* and to *"bear true faith and allegiance to the same."* (Italics in original)

He then goes on

"... we must recognize that we have one Commander in Chief, and until authority is transferred on January 20, 2017, the Joint Force must remain clearly focused on and responsive to the existing National Command Authority."

"What we must collectively guard against is allowing our institution to become politicized, or even perceived as being

politicized, by how we conduct ourselves during engagements with the media, the public, or in open or social forums.”

“To that end, I have a duty to protect the integrity and political neutrality of our military profession.”

We must have “a peaceful transfer of power,” and “one Commander in Chief until authority is transferred.” We must be “responsive to the existing National Command Authority.” We must maintain “political neutrality.” All in all this sounds to me like he’s pleading with the military to not revolt at the outcome of the upcoming presidential election, or to join an insurrection in progress.

This is the Chairman of the Joint Chiefs!

If this is his concern, reminding the troops that: “Every service member swears *“to support and defend the Constitution of the United States”* is poor salesmanship, and a tactical error.

The Constitution prohibits a lying, thieving, traitor becoming President. (Peace. I’m not going to put you through the Wikileaks emails, the Project Veritas videos, nor the trail of the dead)

The General’s real worry is, or should be, that the troops *will* remember their oath to defend the Constitution. This would leave the General and his boss out twisting in the wind.

Even in these days of decline there is a danger that some people may honor their oaths. Here are the oaths concerned:

The Oath of Enlistment (for enlistees):

“I, \_\_\_\_\_, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to regulations and the Uniform Code of Military Justice. So help me God.”

The Oath of Office (for officers):

“I, \_\_\_\_\_ (SSAN), having been appointed an officer in the Army of the United States, as indicated above in the grade of \_\_\_\_\_ do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign or domestic, that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservations or purpose of evasion; and that I will well and faithfully discharge the duties of the office upon which I am about to enter; So help me God.”

These oaths are nothing but bad news for would-be election thieves, especially traitorous ones. Not only are enemies both foreign and domestic to be guarded against, but God is invoked to support fulfilling the oath.

You will notice that these oaths say *nothing* about “preserving the political neutrality of the Armed Forces.” This is a tradition, and a good one – up to a point. But if Hillary Clinton attempts to take the office of President, the point will have been passed. It will be time to execute the prime directive and defend the Constitution. (I wonder if the FBI reopening the Clinton email investigation is a ploy to freeze the military for now.)

The US Uniform Code of Military Justice requires that illegal orders be disobeyed. This principle was established internationally at the Nuremberg Trials where “I was only following orders” was not accepted as a defense for NAZI war criminals.

At the beginning of his second term Obama purged the Armed Forces of officers he was able to identify as being unwilling to fire on American citizens. (see SARTRE, iPatriot, 8/8/16) They were removed for a time such as this. But there may be closet patriot officers still in the military (as Obama and the General obviously believe. When it comes right down to it, even General Dunford may be other than we assume; he did remind the troops of their oath to defend the Constitution.)

But the real danger to Clinton and Obama and their entire cabal is with the enlisted men and women. Obama has treated them like dirt at every opportunity. Just from personal conversations, I believe that many or most of them realize what’s going on; the destruction of the United States military and the nation. With leadership, they may not allow this to happen. Would they fire on their countrymen to make horrible Hillary Clinton their Commander in Chief? Some, yes; most, I doubt it.

I believe there are many people that a Clinton victory would leave in the same psychological condition as the resisters at Bundy ranch: there is no place left to back up. It’s resist or perish. Listen to the people at any Trump rally. *A Clinton presidency will not be accepted.*

The military intervening to thwart a blatantly illegal election outcome need not result in an actual conflict. Just strongly suggesting a revote under honest supervision would hopefully solve the problem.

Unless of course Obama calls for UN back-up. There are treaty provisions for doing this (see Military Times 5/11/16 – which are also there for a time such as this) in which case there will be big trouble. Good men did not stand down in Benghazi. I cannot believe the entire US military would comply with another order to stand down in the face of UN “peacekeepers.”

As a Christian I pray for an honest election (if Hillary makes it to an election) and peace. But we should be prepared for the opposite; a scary thought made all the more real by General Dunford’s blog.

## **NEW School Prayer**

Now I sit me down in school  
Where praying is against the rule  
For this great nation under God  
Finds mention of Him very odd.

If scripture now the class recites,  
It violates the Bill of Rights.  
And anytime my head I bow  
Becomes a Federal matter now.

Our hair can be purple, orange or green,  
That's no offense; it's a freedom scene...  
The law is specific, the law is precise.  
Prayers spoken aloud are a serious vice.

For praying in a public hall  
Might offend someone with no faith at all...  
In silence alone we must meditate,  
God's name is prohibited by the State...

We're allowed to cuss and dress like freaks,  
And pierce our noses, tongues & cheeks...  
They've outlawed guns, but FIRST the Bible.  
To quote the Good Book makes me liable.

We can elect a pregnant Senior Queen,  
And the 'unwed daddy,' our Senior King.  
It's 'inappropriate' to teach right from wrong,  
We're taught that such 'judgments' do not belong...

We can get our condoms and birth controls,  
Study witchcraft, vampires and totem poles...  
But the Ten Commandments are not allowed,  
No word of God must reach this crowd.

It's scary here I must confess,  
When chaos reigns the school's a mess.  
So, Lord, this silent plea I make:  
Should I be shot; My soul please take!

Amen

*I want to finish this Newsletter by honoring the TRUE HEROES of America – Our Armed Services!!  
All branches – Army, Navy, Air Force, Marines, Coast Guard, each and every one!!*

They told me the big black Lab's name was Reggie, as I looked at him lying in his pen. The shelter was clean, "No-Kill", and the people really friendly.

I'd only been in the area for six months, but everywhere I went in the small college town, people were welcoming and open. Everyone waves when you pass them on the street.

But something was still missing as I attempted to settle in to my new life here, and I thought a dog couldn't hurt. Give me someone to talk to. And I had just seen Reggie's advertisement on the local news. The shelter said they had received numerous calls right after, but they said the people who had come down to see him just didn't look like "Lab people," whatever that meant. They must've thought I did.

But at first, I thought the shelter had misjudged me in giving me Reggie and his things, which consisted of a dog pad, bag of toys almost all of which were brand new tennis balls, his dishes and a sealed letter from his previous owner.

See, Reggie and I didn't really hit it off when we got home. We struggled for two weeks (which is how long the shelter told me to give him to adjust to his new home). Maybe it was the fact that I was trying to adjust, too. Maybe we were too much alike.

I saw the sealed envelope. I had completely forgotten about that.

"Okay, Reggie," I said out loud, "let's see if your previous owner has any advice."

*To Whomever Gets My Dog:*

*Well, I can't say that I'm happy you're reading this, a letter I told the shelter could only be opened by Reggie's new owner. I'm not even happy writing it. He knew something was different.*

*So let me tell you about my Lab in the hopes that it will help you bond with him and he with you. First, he loves tennis balls. The more the merrier. Sometimes I think he's part squirrel, the way he hoards them. He usually always has two in his mouth, and he tries to get a third in there. Hasn't done it yet. Doesn't matter where you throw them, he'll bound after them, so be careful.*

*Don't do it by any roads.*

*Next, commands. Reggie knows the obvious ones — "sit," "stay," "come," "heel." He knows hand signals, too: He knows "ball" and "food" and "bone" and "treat" like nobody's business. Feeding schedule: twice a day, regular store-bought stuff. The shelter has the brand.*

*He's up on his shots. Be forewarned: Reggie hates the vet. Good luck getting him in the car. I don't know how he knows when it's time to go to the vet, but he knows.*

*Finally, give him some time. It's only been Reggie and me for his whole life. He's gone everywhere with me, so please include him on your daily car rides if you can. He sits well in the backseat, and he doesn't bark or complain. He just loves to be around people, and me most especially.*

*And that's why I need to share one more bit of info with you... His name's not Reggie. He's a smart dog, he'll get used to it and will respond to it, of that I have no doubt. But I just couldn't bear to give them his real name. But if someone is reading this... well, it means that his new owner should know his real name. His real name is "Tank." Because that is what I drive. I told the shelter that they couldn't make "Reggie" available for adoption until they received word from my company commander. You see, my parents are gone, I have no siblings, no one I could've left Tank with... and it was my only real request of the Army upon my deployment to Iraq, that they make one phone call to the shelter... in the "event"... to tell them that Tank could be put up for adoption. Luckily, my CO is a dog-guy, too, and he knew where my platoon was headed. He said he'd do it personally. And if you're reading this, then he made good on his word.*

*Tank has been my family for the last six years, almost as long as the Army has been my family. And now I hope and pray that you make him part of your family, too, and that he will adjust and come to love you the same way he loved me. If I have to give up Tank to keep those terrible people from coming to the US I am glad to have done so. He is my example of service and of love. I hope I honored him by my service to my country and comrades. All right, that's enough. I deploy this evening and have to drop this letter off at the shelter. Maybe I'll peek in on him and see if he finally got that third tennis ball in his mouth. Good luck with Tank. Give him a good home, and give him an extra kiss goodnight - every night - from me.*

*Thank you, Paul Mallory*

I folded the letter and slipped it back in the envelope. Sure, I had heard of Paul Mallory. Everyone in town knew him, even new people like me. Local kid, killed in Iraq a few months ago and posthumously earning the Silver Star when he gave his life to save three buddies.

Flags had been at half-mast all summer.

I leaned forward in my chair and rested my elbows on my knees, staring at the dog. "Hey, Tank," I said quietly. The dog's head whipped up, his ears cocked and his eyes bright.

"C'mere, boy."

He was instantly on his feet, his nails clicking on the hardwood floor. He sat in front of me, his head tilted, searching for the name he hadn't heard in months. "Tank," I whispered. His tail swished.

I kept whispering his name, over and over, and each time, his ears lowered, his eyes softened, and his posture relaxed as a wave of contentment just seemed to flood him. I stroked his ears, rubbed his shoulders, buried my face into his scruff and hugged him.

"It's me now, Tank, just you and me. Your old pal gave you to me." Tank reached up and licked my cheek.

"So whadayasay we play some ball?" His ears perked again.

"Yeah? Ball? You like that? Ball?"

Tank tore from my hands and disappeared into the next room. And when he came back, he had three tennis balls in his mouth.

If you can read this without getting a lump in your throat or a tear in your eye, you just ain't right.

*"The true soldier fights not because he hates what is in front of him, but because he loves what is behind him."*

*~ G.K. Chesterton*

**To ALL the veterans, I THANK YOU for your Service to our great County!! Without YOU we would have no country!! With YOU we can have the best Country the World has known. GOD be with you as YOU serve the USA and bring you home safe!!!**
